## Ascension Research Center

### Ascended Master Teachings on the Individualized Presence of God

Ascension Research Center is an independent student research project on the Ascended Master Teachings regarding the Presence of God. The Ascended Masters have revealed that God is both Universal and Individual. God is UNIVERSAL as the **All-Pervading Presence of Life, Love, and Light**; and God is INDIVIDUALIZED as the **I AM Presence** that has embodied on this Earth as you and all other men, women, and children. Hopefully through this web site more individuals on our planet will take the Opportunity to know of the Limitless Love, Wisdom, and Power extended to us by God's Ascended Sons and Daughters of Light, and to reacquaint themselves with their own God Presence - their own Immortal and Divine Identity - Unique yet ever One with THE ONE - and an *undetached* part of the Allness of God. Each can affirm "I AM THAT I AM" with the absolute conviction of their own Higher Self and Highest Reality. You no longer need to accept the illusion that you are a separate self apart from God.

The intent of the Ascension Research Center is to stimulate interest in the true Teachings of Jesus Christ and our Ascended Brothers and Sisters concerning the Violet Flame, the Ascension, the Individualized God Presence, and the Higher Mental Body (or Pure Christ Mind). The entire world must know of the Fiery Christ Truth given to mankind by beloved Godfre Ray King and Lotus Ray King, Ascended Master Saint Germain and Ascended Master Jesus Christ, and so many other Ascended Masters, Cosmic Beings, and Angelic Hosts of Heaven! If you sense an Inner Response of your Heart Flame to something you read here, hopefully you will then follow up by studying and applying the Teachings and Instruction of the Ascended Masters, and thus fulfilling your Divine Plan and Victoriously Raising into your Ascension!

*"All truth passes through three stages:  
first, it is ridiculed;  
next it is violently attacked;  
finally, it is held to be self-evident."  
-- Schopenhauer*

Ascension Research Center is run and maintained by students of the Ascended Masters, and is not sponsored by any organization.
