Item# BK1

\$12.00

This #1 Christian Best-Seller has a message that is crucial to the political, economic and spiritual future of the world. Since its release in 1992, *En Route...* has sold over 250,000 copies and has been read by an estimated half million people. It is the result of more than seven years of research and is filled with documented facts and reproductions proving that the drive toward a one-world government is for real!

***The Seattle Conference 1992* – Video**

Item# V14
\$20.00

A testimony by Gary as he shares his personal experiences when learning about developments relating to the forming of a one-world government. It includes an overview of the political, economic and spiritual elements of the New World Order movement, and how the three tie together. He also examines the role of the United Nations, the World Bank, The Trilateral Commission, the Club of Rome, the Council on Foreign Relations, UNESCO and other organizations along with key players such as Mikhail Gorbachev, David Rockefeller, Barbara Marx Hubbard and others. This is a great companion to *En Route to Global Occupation*.

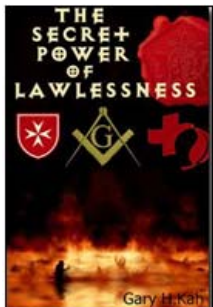

***Toward A New Age/Interfaith Religion* – Video**

Item# V105
\$20.00

Unknown to many, the global interfaith movement is deeply rooted in New Age philosophies and occult practices. In this one-hour video, Gary carefully examines the relevant history of the New Age and interfaith movement, the impact Eastern religions have had on our western culture, and how many occult practices are becoming accepted – even in Christian circles! Timely and chock full of visuals, this presentation is essential to understanding the “new world religion.” This video is a fantastic companion to Gary’s book *The New World Religion*.

***The Secret Power of Lawlessness* – Video**

Item# V107
\$20.00

In this video Gary exposes the involvement of Freemasonry and secret societies in building the New World Order. Using solid evidence, Gary goes into detail on connections between the Masonic Lodge and occult organizations of the New Age movement. He also reveals the close ties between the Masonic order and Roman Catholicism. A bold video that lifts the cover off the one-world movement in a credible, factual way.

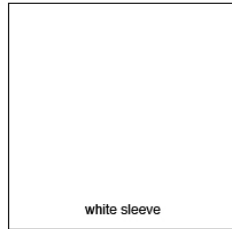

***Current Developments in the New World Order* – Video**

Item# V113
\$20.00

This powerful video examines the latest developments in the quest for global government. Gary tracks the activities of Mikhail Gorbachev and Pope John Paul II, as well as the agenda for religious unification and acceptance of the Earth Charter. He analyzes a wide range of issues – from a proposed world tax to concerns over Homeland Security and the war with Iraq. He discusses what role, if any, the U.S. could play in shaping global politics and religion. This is a video you will definitely want to share with friends and family members. It could make a permanent difference in their lives, including how they view Christianity and the world in which they live.
