Evangelization for the Third Millennium

Avery Cardinal Dulles, SJ

"Cardinal Dulles maintained that Pope Paul VI's 1975 apostolic exhortation on evangelization, *Evangelii nuntiandi*, was one of his greatest and most important contributions to the life of the Church in our time. It was his hope that the present book would play a role in revitalizing this subject, and for this reason, he devoted the last days of his life to working on it."

From the Preface – Anne Marie Kirmse
