Product Description

Although premillennialism continues to be popular today, it is by no means a new doctrine. Rather, because of its solid foundation in

Biblical truth, premillennialism has been a prominent system of interpretation throughout church history.

Dr. Ryrie begins this book by introducing systems of interpretation and their vital importance in studying prophecy. He then proceeds to trace how premillennialism has its basis in history, hermeneutics, the Abrahamic covenant, Davidic covenant, new covenant, ecclesiology, and eschatology.

Whether you are new to premillennialist teaching, or whether you are interested in a more systematic understanding of its basis in Scripture, the contents of this book will clarify, instruct, and inspire.

About the Author

CHARLES C. RYRIE (A.B., Harverford College; Th.D., Dallas Theological Seminary; Ph.D., University of Edinburgh; Litt.D., Liberty Baptist Theological Seminary) is the annotator of the Ryrie Study Bible and author of many other books including Biblical Theology of the New Testament, The Miracles of Our Lord, Balancing the Christian Life, Basic Theology, and So Great Salvation. Dr. Ryrie has served in numerous professional capacities such as President (Philadelphia Biblical University) and Chairman and Professor of Systematic Theology (Dallas Theological Seminary).

Historical Defense for Inspired Prophetic Truth,
February 22, 2007

By [Frank R. Valencia](#) (Pico Rivera, CA) - [See all my reviews](#)

Unfortunately many bible readers miss one of the greatest truths revealed to us by God. The return of His Son is truly worth knowing and a defense for the literal 2nd coming of Christ to a literal Israel is worth noting. Yes Jesus reigns in our hearts but He will also reign on his earth. Ryrie silences the critics with Historical truth. Historical figures, events and early beliefs which can not be altered. All we have to do is look back at History and see how the Spirit of God moved. I praise God for this book. Short but very informative.
