The Sacred Truth Scrolls

מגילות האמת הקדושות

Direct from the Holy Land

We are making available for a limited time this unique and attractive set of five Sacred Truth Scrolls, plus a thought-provoking booklet and CD specially narrated by the author H.E. Ben Ammi, Anointed Spiritual Leader of the Kingdom of Yah.

The \$100.00 offering for this fine collection goes toward the support of our ongoing rural development projects presently being implemented throughout the African Continent.
