**About This Book**

If it were known that God Himself were going to speak once again to man, what eagerness and excitement there would be! How eagerly all men would listen if God should speak once more. Yet men forget that the Bible is God's own Word, and that it is as truly His message today as when it was delivered of old. The law that was given at Sinai has lost none of its solemnity. Time cannot wear out its authority or the fact of its authorship. Some people have their own balances. A great many are making balances to be weighed in. But after all we must be weighed in God's balances, the balances of the sanctuary. It is a favorite thing with infidels to set their own standard, to measure themselves by other people. But that will not do in the Day of Judgment. Now we will use God's law as a balance weight. When men find fault with the lives of professing Christians, it is a tribute to the law of God. --Dwight L. Moody
