“But if our hopes in this should be blasted, and since offences of necessity will come, our political schemes must be cunningly varied, according to the different posture of the times; and princes, our intimates, whom we can influence to follow our counsels, must be pushed on to embroil themselves in vigorous wars one with another, to the end, our Society (as promoters of the universal good of the world,) may on all hands be solicited to contribute its assistance, and always employed in being mediators of public dissensions:...”¹

Ignatius Loyola, 1540
Founder and General of the Jesuits
Secret Instructions of the Jesuits

“They (the Jesuits) have so constantly mixed themselves up in court and state intrigues that they must, in justice, be reproached with striving after universal dominion. They cost kings their lives, not on the scaffold, but by assassination, and equally hurtful as the society of *Illuminati*; they were the foremost among the crowd, at all events, who applauded the murder scenes in Paris...They held in their hands all the springs for working upon mankind; money, protection...were plentifully at their command...and it is impossible, therefore to indulge in a conviction that the re-establishment of the Society of Jesus can be productive of any benefit whatever.”² [Emphasis added]

“Weishaupt and his fellow Jesuits cut off the income to the Vatican by launching and leading the French Revolution; by directing Napoleon’s conquest of Catholic Europe; [*and*]...by eventually having Napoleon throw Pope Pius VII in jail at Avignon until he agreed, as the price for his release, to reestablish the Jesuit Order. This Jesuit war on the Vatican was terminated by the Congress of Vienna and by the secret, 1822, Treaty of Verona.”⁵ [Emphasis added]

It was now *payback time* for the Pope, his Dominican priests with the Holy Office of the Inquisition, the Knights of Malta and the Roman Catholic sovereigns of Europe. The Jesuits, with Freemasonry and the *Illuminati* as their tools, would punish the Monarchs *like they never had been punished before!* The Jesuits would also take time to punish a few Protestant nations pursuant to the **Council of Trent**. In this light the purpose of the atheistic, French Revolution and Napoleonic Wars becomes crystal

clear. And with this understanding, the authors and purpose of the atheistic, Russian Revolution of 1917 will also become crystal clear.

Rather than give a history of the revolution and subsequent wars we shall focus on the question “**Who benefits?**” *Did not the Jesuits benefit* when Louis XVI and Marie Antoinette were beheaded by the fanatical Jacobins? These sovereigns had aided the Protestant American “heretics” in their revolt from King George III. Additionally, both the Bourbon and Hapsburg dynasties had expelled the Jesuits from their countries. Louis XV, the grandfather of Louis XVI, had expelled the Jesuits from France and Maria Theresa, the mother of Marie Antoinette, had expelled the Jesuits from Austria. So **Louis XVI** of the Bourbon dynasty and **Marie Antoinette** of the Hapsburg dynasty must be gruesomely murdered in broad daylight – just like **John F. Kennedy** – as a lesson to the future Roman Catholic sovereigns.

Did not the Jesuits benefit when the Jacobins killed nearly all the Dominican priests in France? We must remember that the Order of the Dominicans was the enemy of the Jesuits from the inception of the Jesuit Order! Further, when the Jesuits had been suppressed by the Pope, the Dominicans took back the “Holy Office of the Inquisition,” *thus outraging* the Jesuit Order. Could this be the reason why Napoleon made war on the Inquisition, exposing the dastardly deeds of the Dominican inquisitors to the light of day? For example:

“Even as late as the time of Napoleon, we read that after his troops had captured Toledo, an Inquisition prison was opened there. The historian of Napoleon’s wars said it was like opening tombs, as the poor captives came forth. Their beards had grown down over their chests, their finger nails were like bird claws, and their bodies not much more than mere skeletons. Some of them had not breathed fresh air in years. Some were hopelessly crippled and deformed from having been kept in dens so low that they could not rise up in them. The next day, General LaSalle and several of his officers carefully inspected the place. The torture instruments they found filled even these men of the battlefield with horror.”⁶

(Dear truth-seeker, the torture instruments of Rome’s Inquisition were very similar and as gruesome as those found in Hitler’s Death Camps in Poland.)

Did not the Jesuits benefit when **General Berthier** made war on the Vatican as he captured Rome and imprisoned **Pope Pius VI**? Was this not a *payback*, as the Pope had imprisoned the Jesuit General following the abolition of the Jesuit Order? Did not the Jesuits *completely humiliate* the Pope when the occupying French soldiers overturned “**St. Peter’s Chair**”? Of this we read:

“I said so on the authority of Lady Morgan, who, in her work of Italy, in the fourth volume, says that the sacrilegious curiosity of the French at the time when they occupied Rome, in the beginning of this century, overcame all obstacles, in order to see so famous a seat. They took off its copper covering, and drew out the seat, and examining it diligently, found there engraved in Arabic characters these words: – ‘*There is one God, and Mahomet is His prophet.*’...The Pope, then, knowing that amongst the relics there was a seat, brought as a relic from the Crusades, ordered this to be taken and brought for veneration...”⁷
[Emphasis added]

Did not the Jesuits benefit when **Napoleon Bonaparte** drove the Bourbon King of Spain into exile? *Did not the Jesuits benefit* when Napoleon drove the Braganza King of Portugal to South America? *Did not the Jesuits benefit* when Napoleon drove the Knights of Malta from the island of Malta confiscating all their treasures and weapons? (Remember, the Knights had previously expelled the Jesuits from Malta.) *Did not the Jesuits benefit* when Napoleon conquered the Protestant Dutch Republic, founded by one of our heroes, **William of Orange**? *Did not the Jesuits benefit* when Napoleon conquered Italy, and vanquished Austria as both nations had expelled the Jesuit Order? *Did not the Jesuits benefit* when Napoleon conquered Protestant Switzerland? *Would not the Jesuits have benefited* if the French **General Hocke** had succeeded in breaking away Catholic Ireland from Protestant England (later accomplished after World War I)? *Did not the Jesuits benefit when Napoleon broke up the Pope’s Holy Roman Empire?*

Why did *nearly every strategy* of Napoleon result in benefiting the Jesuit Order? The answer is in the person of **Abbe Sieyes**. According to *Ridpath’s Universal History* this priest was a prime mover of the French Revolution, the Directory and was the Second Consul on Napoleon’s Consulate, calling for the end of the nobility and clergy — the enemies of **the Society of Jesus!** It is also most fascinating to see that Sieyes was Jesuit-trained as we read:

“**Sieyes, Emmanuel Joseph** (1748-1836), one of the chief political thinkers and writers of the period of the French Revolution and the first empire...He was destined for the Church, was educated by the Jesuits, became a licentiate of the Canon law [*the Council of Trent*]...”⁸
[Emphasis added]

Thus **Napoleon**, the Roman Catholic Freemason, was brought to power from the Jesuit stronghold of Corsica, whose right-hand man was a Jesuit advisor.

By 1812 the Jesuits had punished their enemies with **Napoleon**. It was now time to destroy his Grande Armee, as those men would not allow the restoration of the old absolute monarchies. So **Napoleon** attacked Russia and then abandoned his patriotic soldiers, *those men having hated absolute monarchy with all their hearts*, to the winter snow and Russian army. Of the retreat from Moscow **Tolstoy** writes:

“One army fled and the other pursued...But after a four days’ halt the mob, with no maneuvers or plans, again began running along the beaten track, neither to the right nor to the left but along the old – the worst – road...At the Berezina they again became disorganized, many were drowned and many surrendered, but those who got across the river fled farther. Their supreme chief donned a fur coat and, having seated himself in a sleigh, galloped on alone, abandoning his companions.”⁹

This **Napoleon Bonaparte**, the Roman Catholic Freemason and pawn of the Jesuits, was not only a traitor to France but a mass murderer; as, he was responsible for abandoning a quarter of a million dead, frozen or starving men in the snows of Russia. *He should have been hung for being not only a traitor but also a coward.* And who gave him the order to abandon his army? It could only be his masters, the Jesuits, who had brought him from nothingness to become Emperor of the French and master of the world!

(Dear truth-seeker, one hundred and thirty years later the Jesuits would order the destruction of the German Army in the East. Their tool, **Adolf Hitler**, during Operation Barbarossa, would “snatch defeat from the jaws of victory”, destroying his army in the snows of Russia. He, like Napoleon, insured an Allied victory with the agents of the Jesuits determining the terms of surrender.)

Following Napoleon’s Russian campaign – *his successful betrayal and murder of hundreds of thousands of freedom-loving republican soldiers* – the Jesuits sought to restore the old order of things. The Jesuit Order was revived in 1814 and the Congress of Vienna began as well. Meanwhile Napoleon was rewarded for a job well done with an annual pension of two million francs while on the island of Elba. But the Monarchs at the Congress of Vienna squabbled; so, the Jesuits brought Napoleon back to France, known as “the hundred days”. This frightened the Monarchs into coming to terms with each other. With the Congress of Vienna having fulfilled the purpose of the Jesuit Order, the soldiers of France could now be finally defeated. **Napoleon** gathered an army of French patriots and *deliberately sacrificed it at Waterloo* by attacking the wrong point of the British line. We read concerning General “Stonewall” **Jackson**’s observations:

“In the summer of 1856, he employed his long vacation in a European tour, in which he visited England, France, and Switzerland. During this journey he carefully examined the field of Waterloo, and traced out upon it the positions of the contending armies. When he returned home, he said although Napoleon was the greatest of commanders, he had committed an error in selecting the Chateau of Hougomont as the vital point of attack upon the British line; it should have been the village of Mont St. Jean. This opinion has subsequently been corroborated by high authority in the military art.”¹⁰

Dear truth-seeker, do you think the master of Austerlitz would make such a basic blunder – *by accident* – blasting all hope for French liberty? How ridiculous!

Napoleon was captured by the English and banished to an island in the South Atlantic Ocean called St. Helena. There, his *Memoirs* were written which accurately described his masters, the **Sons of Loyola**, having betrayed him into the hands of his captors. In awe and in anger he declared:

“The Jesuits are a *military organization*, not a religious order. Their chief is a general of an army, not the mere father abbot of a monastery. And the aim of this organization is: **POWER**. Power in its most despotic exercise. Absolute power, universal power, power to control the world by the volition of a single man. Jesuitism is the most absolute of despotisms: and at the same time the greatest and most enormous of abuses...

The general of the Jesuits insists on being master, sovereign, over the sovereign. Wherever the Jesuits are admitted they will be masters, cost what it may. Their society is by nature dictatorial, and therefore it is the irreconcilable enemy of all constituted authority. Every act, every crime, however atrocious, is a meritorious work, if committed for the interest of the Society of the Jesuits, or by the order of the general.”¹¹
[Emphasis added]

The Society of Jesus had now emerged more powerful than ever. **Satan’s Kingdom** was no longer divided. In control of Freemasonry and the Illuminati, the Jesuits had taken the Protestant British Empire — its **Throne** as well as its **Bank**. **London** would now be their *commercial capital* of the world. They had retaken the Vatican and control of **the Papacy**. **Rome** would be their *religious capital of the world* and by 1900 **New York** would be the Order’s *political capital of the world*. They had punished the Roman Catholic sovereigns of Europe and would use England to restore them to their thrones again.

But one final piece of business needed to be completed. On May 5, 1821, **Napoleon Bonaparte** was poisoned with arsenic, *and he knew it*, by guess who? When Napoleon's will was opened after his death, **General Montholon** read the Emperor's last accusation concerning St. Helena's English governor, **Hudson Lowe**, — his detested jailer. Napoleon's words, destined to fly across Europe, were as follows:

"I die prematurely, murdered by the English oligarchy and its hired assassin."¹²

Dear truth-seeker, *who benefited?* The Jesuits had used **King George III** to protect **King Louis XVIII** while in exile during the French Revolution and Napoleonic wars. Having betrayed Napoleon into the hands of his captors, they used the English king to banish the Emperor to a distant island in the middle of the South Atlantic Ocean. They again used George III to restore Louis XVIII to the throne of France. Louis XVIII then gave the Jesuits permission to reenter France having been previously expelled by **Louis XV**. The Jesuits then used French troops to suppress popular liberty in Spain pursuant to the oppressive policy of their "**Holy Alliance**". The murder of Napoleon crushed the hope of the French for liberal government and silenced the only rival of Louis XVIII as he enforced the Jesuits' tyrannical program for the Continent. *Little did the French people know that Napoleon had been only a tool of the Jesuit Order* and was never intended to bring popular, "**liberal**" government to the European nations.

If the Jesuits would poison **Pope Clement XIV**, would they not poison **Napoleon**? And if they would poison Napoleon would they not assassinate an American President like **John F. Kennedy**? Yes indeed, for he was mortally wounded in the house of his friends, *the Jesuits*. For he had attended one of their churches in Washington, D.C. while being a U.S. Senator from Massachusetts.

Napoleon Bonaparte, 1769 – 1821
Emperor of the French Empire
1804 - 1815

As a result of the Order's Suppression in 1773, Napoleon was brought to power by whom the Jesuits imprisoned the **Papal Caesar** and drove the Roman Catholic Monarchs of Europe into exile until they had learned their lesson to never interfere with the **POWER** of the **Black Pope**. Here we see the great betrayal by the Emperor as he abandons his Grande Armee of 250,000 men to the snows and Cossacks of Russia in 1812. Those brave men, truly believing they were fighting for liberty, could not be allowed to return to France, the Order intending to reduce Europe to the tyranny of the Holy Alliance. To further dash the hopes of the French, Napoleon, betrayed by his Jesuit masters including Abbe Sieyes, was confined to St. Helena, an island in the middle of the South Atlantic Ocean, and given the Order's "poison cup" by his English jailer in 1821.

Chapter 19

The Jesuits – 1801 - 1814

Alliance with the Knights of Malta Pius VII Restores the Jesuit Order

“Political corrupters of all governments; flatterers of the great and of their passions; prime movers of despotism; enemies of kings who oppose them and their crooked desires...placing a scepter of iron in the hands of kings and a dagger in those of their subjects; counseling tyranny and preaching tyrannicide...permitting all classes of crimes...serving idolatry which they regard and persecuting Catholicism which refuses its confidence.”¹ [Emphasis added]

M. de Monclair, 1800?
Manual of the Jesuits

“...they reappeared fully panoplied for the renewal of the battle against civil and religious liberty, the popular right of self-government, and all the beneficent influences of the Reformation.”²

R. W. Thompson, 1894
Ex-Secretary, American Navy
The Footprints of the Jesuits

“The astute Jesuit [Parsons] suggests a military order for suppressing heretics...The ‘Council of the Reformation’ [Romanizing of England] was also to consider how some new Order of Knights, similar to the ‘Order of the Knights of St. John of Malta,’ might be erected in the realm, for the exercise of the young gentlemen and nobility, whose rule should be ‘to fight against Heretics in whatever country they should be employed...[and to] show their valour against Heretics and enemies of God and His church, of these our days, as well at home among us, as also in divers kingdoms round about us.’ ”³

M. F. Cusack, 1896
Converted Nun of Kenmare
The Black Pope

The connection between the **Knights of Malta, the Pope and the Jesuit General**, with his army of Jesuits, is a key in understanding the flow of history since 1814. For the Pope’s restoration of the **Society of Jesus** was the capstone of **Satanic Power** through which the **Devil** would control all of his secret societies during the Nineteenth and Twentieth Centuries. Never in the history of the world had evil men been so successfully united in purposing to destroy all religious and political liberty. The end result was to have the **Papal Caesar** ruling the world from **Solomon’s rebuilt Temple in Jerusalem** as the *Universal Monarch of the World*.

But before we begin our next chapter, *please*, dear truth-seeker, read the following brief history of the Knights of Malta, received from the secretary at their office in St. Patrick’s Cathedral, New York. Note that on the last page, the Order has established formal diplomatic relations with Cuba, presently oppressed by that Jesuit-trained, bastard son of a Nazi and fascist military dictator – that Roman Catholic son of the Church – **Fidel Castro**.

As we shall later see, the Knights of Malta, in control of the CIA and the Pentagon, put Castro in power, as Castro is a puppet of the Jesuits’ “*infallible*” Pope. And being one of the Pope’s “altar boys” enforcing the **Temporal Power** of “the Vicar of Christ”, he forbids the free circulation of the **Protestant Bible**, while cruelly suppressing any movement towards liberal, popular government pursuant to the evil **Council of Trent**.

Notice also that the American Branch of the Knights of Malta was established in 1927. This was two years before the Knights caused the Great Depression, which in effect made the Jesuits’ Federal Reserve Bank the financial monopoly of the American Empire created in 1868. This was five years before they attempted to make **FDR** a fascist dictator who, as President, formally recognized Jesuit-trained Joseph Stalin’s bloody government. This enabled the American Knights, in control of the Empire’s Military Industrial Complex, to aid the Russian Knights in building the Military Industrial Complex of the Jesuits’ Soviet Empire.

Then one day in 1962 three puppets of the Jesuits (**Kennedy, Khrushchev and Castro**), overseen by the intelligence agencies of the Knights of Malta (the CIA and KGB), created the hoax called “*the Cuban Missile Crisis*”. That deceit was based on another hoax called “*the Cold War*” which in turn was based on yet another hoax called “*Nuclear War*”. The fear created by the American press, controlled by **Cardinal Spellman** through his Knight of Malta **Henry Luce**, resulted in a secret agreement between “the superpowers”. That agreement, prohibiting an American invasion of Cuba, secured the island as a landing base for a future foreign invasion of the American Protestant South — pursuant to the evil **Council of Trent**.

Now, dear truth-seeker, enjoy the letter intended for public consumption which is retyped in larger print for all to read.

HISTORY OF THE ORDER OF MALTA

The Order of St. John was founded before the taking of Jerusalem in 1099 by the armies of the First Crusade. It began as a monastic community, dedicated to St. John the Baptist, which administered a hospice-infirmarium for pilgrims to the Holy Land. Originally connected with the Benedictines, it became, under Blessed Gerard (1120), an independent organization. By the Bull of 15 February 1113, addressed to Gerard, Pope Pascal II approved the confraternity of the Hospital of St. John, placed it under the protection of the Holy See, and ensured its right of freely electing its heads, Gerard's successors, without any interference from any other ecclesiastical or any lay authority. In virtue of this Bull and of subsequent Papal acts, the Hospital became an exempt Order of the Church.

Owing to the political situation after the setting up by the Crusaders of the Kingdom of Jerusalem, the Order, now under its second head (and the first to be styled Master), Fra' Raymond du Puy, was obliged to assume military functions for the protection of the sick, the pilgrims, and the Christian territory which the Crusaders had won back from the Muslims. Accordingly, the Order of the Hospital of St. John acquired the additional character of an Order of Knighthood. The Knights were thus also Religious, bound by the three monastic vows of Obedience, Chastity, and Poverty. It thus became a persona mixta, a religious-military Order.

Fra' Raymond du Puy introduced the first rule of the Order known to us and also the white octagonal cross which has to this day remained the Order's emblem (the Maltese Cross).

While continuing on a vast scale its hospitaller activity, one of its two aims: obsequium pauperum (service of the poor), the Order pursued valiantly its other aim - the defense of Christendom: tuitio fidei (protection of the Faith). However, in 1291, Acre, the last Christian stronghold in the Holy Land was lost and the Order settled temporarily in Cyprus.

From the beginning, the Order's independence of all other States, in virtue of Papal acts, and its universally recognized right to maintain armed forces and wage war constituted its international sovereignty. With the occupation of the island of Rhodes, completed in 1310 under the Grand Master Fra' Foulques de Villaret, the Order acquired territorial sovereignty as well (and the Knights of St. John came to be called Knights of Rhodes). The island faced Muslim territorial and naval might and became a bastion of Christendom in the East Mediterranean sea.

The military defense of Christendom now of necessity required naval action. Accordingly, the Order came to possess a powerful fleet; it patrolled the East Mediterranean waters and engaged in many renowned battles with the enemy. It took part in the crusades in Syria and in Egypt and brought aid to the Christian Kingdom of Armenia (Cilicia) against Muslim invaders.

The members of the Order who came to Rhodes from all over Europe, as well as the establishments of the Order in Europe, were from the beginning of the fourteenth century, grouped according to languages spoken. There were thus, initially, seven such groups of Langues (Tongues): Province, Auvergne, France, Italy Aragon(-Navarre), England (with Scotland and Ireland), Germany. In 1462 Castile and Portugal separated from the Langue of Aragon and formed together the eight Langues.

In the sixteenth century the Langue of England was suppressed and later, in 1782, temporarily reestablished under the name of the Anglo-Bavarian Langue. Each Langue was composed of Priories or Grand Priories, Bailiwicks, and Commanderies.

The Order was ruled by the Grand Master and the Council, minted its own money and maintained diplomatic relations with other States. The Grand Master was Prince of Rhodes, as later he was Prince of Malta. The high offices of the Order were attributed to representatives of different Langues; and the seat of the Order, the Convent, was in effect composed of a number of national religious houses.

The Knights gallantly repulsed numerous Turkish assaults, until the Sultan Suleyman the Magnificent attacked Rhodes with a large fleet and a powerful army. On Christmas Eve of 1522 the Knights were forced to capitulate and, on 1 January 1523, left the island with military honors. For the next seven years the Order, while vested with international sovereignty, was deprived of territory, until the cession by the Emperor Charles V (in his capacity as King of Sicily) of the islands of Malta, Gozo, and Comino, as well as Tripoli in North Africa, in sovereign fief.

On 26 October 1530 the Grand Master Fra' Philippe de Villiers de l'Isle-Adam took possession of Malta, with the approbation of Pope Clement VII. It was stipulated that the Order was to remain neutral in wars between Christian nations.

Yet the war of defense of Christendom went on. The Turks attacked Malta, but in the Great Siege, from 18 May to 8 September 1565, were finally routed by the Knights led by the heroic Grand Master Fra' Jean de La Vallette (after whom the island's capital Valetta is named). The decline of Ottoman sea power dates from the defeat of 1565. The navy of the Order of St. John (or of Malta as it now came to be called) became one of the most powerful in the Mediterranean and took part in the final destruction of the Ottoman naval might in the great battle of Lepanto in 1571.

In 1607 and, again, in 1620, the dignity of Grand Master was conjoined with the title of Prince of the Holy Roman Empire and in 1630 with the rank equal to the dignity of a Cardinal of the Holy Roman Church with the style of Eminence.

In 1798 Bonaparte, engaged in a campaign against Egypt, occupied the island of Malta and drove out the Order. The Knights again found themselves without a home. This was followed by what has been called the Russian coup d'etat (1798-1803). The Emperor Paul I of Russia, who had shown himself a

friend of the Order, now had himself proclaimed Grand Master by a handful of Knights then in Russia, in place of the Grand Master Fra' Ferdinand Von Hompesch who had been obliged to abandon Malta to the French. This proclamation of a married non-Catholic as head of a Catholic religious order was wholly illegal and void, and never recognized by the Holy See (a necessary condition for legitimacy). Accordingly, Paul I, who was nevertheless accepted by many Knights and a number of governments can only be regarded as a Grand Master de facto, never one de jure. His successor Alexander I, on the other hand, helped the Order to return to legitimate rule; and in 1803 Fra' Giovanni Battista Tommasi was elected Grand Master. The British had meantime occupied Malta in 1801 and though the Treaty of Amiens (1802) recognized the Order's sovereign rights over the island, it has never been able to avail itself to them.

After temporary seats in Messina, Catania and Ferrara the Order finally established itself in 1834 in Rome, where it holds, extra-territorially, the Malta Palace at 68 Via Condotti and Villa on the Aventine. From 1805 the Order was ruled by Lieutenants, until in 1879 when Pope Leo XIII restored the Grandmastership and the honors of a Cardinal attaching to it. Hospitaller work, the original work of the Order, became once again its main concern. The hospital and welfare activities, undertaken on a considerable scale in World War I, were greatly intensified and expanded in World War II under the Grand Master Fra' Ludovico Chigi della Rovere Albani.

The activities of the Order have been further expanded under the rule of Grand Master Fra' Angelo de Mojana di Cologna (1962-1988), who was succeeded by the present Prince and Grand Master Fra' Andrew Bertie.

The Order of Malta constitutes the sole unbroken continuation of the Order of the Hospital of St. John recognized in 1113. It alone is a religious Order of the Catholic Church and at the same time a Catholic Order of Knighthood. It alone contains the governing nucleus of the professed Knights of Justice, direct successors of its founders, from among whom the Grand Master and most of the members of the Sovereign Council are elected, and which is placed above the ranks of the lay Knights, grown numerous since the fall of Malta. It has never ceased to be recognized by the community of nations as sovereign and independent of any civil power. These facts constitute the irrefutable proof of the Order's unique historical identity and authenticity, to which no other organization can lay claim.

The sovereignty of the Order is expressed in the diarchy of the Prince and Grand Master, who is its Supreme Head, and the Councils: the Sovereign Council, the General Chapter, and the Council Complete of State. The General Chapter is the supreme assembly of the Knights, is convened normally every five years, and elects members of the Sovereign Council; while the Council Complete of State is convened for the purpose of electing a Grand Master or a Lieutenant. Both the General Chapter and the Council Complete of State contain representatives of the Grand Priorities, Priorities, Sub- Priorities, and National Associations, into which the Order is territorially divided throughout the world.

The full title of the Grand Master is, in Latin: *Dei gratia Sacrae Domus Hospitalis Sancti Johannis Hierosolymitani et militaris Ordinis Sancti Sepulchri Dominici magister humilis pauperumque Jesu Christi custos.* (A part of this title commemorates the granting to the Grand Master d'Aubusson of the Mastership of the Order of the Holy Sepulchre by Pope Innocent VIII in 1489, which grant proved temporary.) Enjoying the precedence of a Cardinal and therefore that of a Royal Prince as well as the dignity of Prince of the Holy Roman Empire (recognized later by Austria and Italy), and formerly a reigning Prince of Rhodes and then of Malta, the Grand Master is styled both Eminence and Highness, or Most Eminent Highness, and is internationally recognized as a Chief of State and sovereign honours are vested in him.

The Grand Master governs the Order with the assistance of the Sovereign Council, presided by himself and composed of the four High Officers of the Grand Magistracy elected by the General Chapter: the Grand Commander, the Grand Chancellor, the Hospitaller, and the Receiver of the Common Treasure, as well as of six Councillors. The holders of these offices are chosen from among the professed Knights and, exceptionally, from among the Knights of Obedience.

The Sovereign Pontiff is the Superior of the Order, as of any religious Order, and He nominates as His representative to it a Cardinal of the Holy Roman Church, styled *Cardinalis Patronus*: the latter is assisted by the Prelate of the Order, who is likewise appointed by the Sovereign Pontiff. The Prelate of the Order is the ecclesiastical superior of the Order's clergy and the Grand Master's assistant in the care for the spiritual welfare of the Order.

The life and activities of the Order are regulated by the Constitutional Charter approved by the Holy See, and the Code. The Code de Rohan, promulgated by the Grand Master de Rohan in the eighteenth century, retains its validity as a supplementary source of law, provided its provisions are applicable and not contrary to the other two sources of law. Juridical questions and problems of interest and importance for the Order are dealt with by the Consultative Juridical Council, appointed by the Grand Master with the consent of the Sovereign Council.

To deal with cases outside the competence of Canon Law and ecclesiastical Courts, the Order has its own Court of Law of First Instance and Courts of Appeal with the Presidents, Judges, Promoters of Justice, and Auxiliaries appointed by the Grand Master with the deliberative vote of the Sovereign Council. Appeals against the sentences of the Order's Courts may be lodged with the Court of Cassation of the Vatican State, which, in such cases, acting by proxy on behalf of the Order, may exercise the functions of Supreme Court.

A Board of Auditors, elected by the General Chapter, controls the income and the expenditures of the Order.

Under the provisions of International Law, the Order maintains diplomatic relations, through accredited representatives, with the Holy See, on which, in its double nature, it depends as a religious Order, but of which, as a sovereign Order of Knighthood, it is independent, and through the exchange of such diplomatic representatives, with six European countries: Austria, Italy, Malta, Portugal, San Marino, Spain with nineteen South American States: Argentina, Bolivia, Brazil, Chile, Columbia, Costa Rica, **Cuba**, El Salvador, Ecuador, Guatemala, Haiti, Honduras, Nicaragua, Panama, Paraguay, Peru, Dominican Republic, Uruguay, Venezuela: in Asia with the Philippines, Thailand, Lebanon; in Africa with Benin, Burkina, Faso Cameroun, Central Africa Republic, Comores, Egypt, Ethiopia, Gabon, Guinea, the Ivory Coast, Liberia, Mali, Mauritania, Mauritius, Morocco; Niger, Senegal, Somalia, Togo, Tchad and Zaire, moreover, it maintains Delegations in Belgium, France, Germany, Monaco and Switzerland, as well as at the Council of Europe, the UNESCO, the FAO and several International Organizations in Geneva. [Emphasis added]

His Most Eminent Highness the Prince and Grand Master of the Order rules with the assistance of the Sovereign Council a world-wide and international organization which, while never abandoning its aim of the defense of Christendom, is now dedicated to providing assistance in the hospitaller, charitable, and social fields in the widest possible meaning of these words. In particular the Order comes to the aid of those stricken by natural disasters and to the casualties of war.

THE AMERICAN ASSOCIATION

On April 28, 1927 at the special request of the Holy Father, Pope Pius XI, the Supreme Council of the Sovereign Military Order of Malta granted a Constitution (Charter) creating the:

AMERICAN CHAPTER OF THE KNIGHTS OF THE SOVEREIGN MILITARY ORDER OF MALTA

Recalling previous chapters, the Knights of Malta expelled the Jesuits from their island of Malta in 1768. So Napoleon the Freemason, with his French Fleet, was used by the Jesuits to return the insult, driving the Knights from Malta, absorbing their weapons and treasures thirty years later.

And to where would those ancient Crusaders go? The Knights sought and received protection from the Russian **Tzar Paul I** and stayed in his Imperial Palace. It just so happened that the Jesuit General was in Russia as well.

The Knights of Malta and the Jesuit Order had mutual interests. They both wanted to take **Jerusalem** away from the Moslems and rebuild **Solomon's Temple** for the Pope. So having been humbled by the Jesuits with **Napoleon**, they evidently agreed to be subordinate to the Jesuit General. The Knights would *never* be expelled from Russia unlike the Jesuit Order. By 1878, the Jesuit-trained **Pope Leo XIII** gave the Grandmaster of the Knights of Malta the status of a Cardinal. This act formally subordinated these warriors to the Pope — the “*infallible*” Pope under Jesuit control.

In 1927, the American Branch of the Knights of Malta was established at St. Patrick's Cathedral in New York. One of the original thirteen founding members was **John J. Raskob**, the Chairman of the Board for General Motors and major financier of the Democratic Party. In the 1930s these criminals, including **Joe Kennedy**, sought to create martial law in America making **FDR**, the Shriner-Freemason, a fascist,

absolutist dictator. It was only appropriate, as FDR's “alter ego”, advisor and speechwriter, was “a Jesuit of the short robe” and member of the General's Council on Foreign Relations, the dirty **Harry Hopkins**. But the plot failed as a hero and two-time Medal of Honor recipient exposed the conspiracy. He was **General Smedley Butler** of the United States Marine Corps. May we pause and thank **God** for *so great and courageous a man* whom He used to temporarily deliver us Americans from a fascist bloodbath overseen by the Archbishop of New York!

Dear truth-seeker, the Knights and the Jesuits then and now work together! This may seem irrelevant but it is important for you to understand this connection. As we shall see, the Knights financed Lenin and Hitler from Wall Street also using their Federal Reserve Bank headed by a Masonic Jew, **Paul Warburg**. The Knights negotiated the **Concordat** (a Papal treaty) between the Pope and Hitler in the person of **Franz von Papen**. The Knights, as American ambassadors, coordinated Roosevelt with Churchill and Pius XII using **Joseph Kennedy** and **Myron Taylor**. They also helped top Nazis to escape to North and South America after World War II using **William Donovan**, **James Angleton**, **William Casey** and Argentina's President **Juan Peron**.

In America the Knights with their Office of Strategic Services (OSS), which later became the Central Intelligence Agency (CIA), were behind “Operation Paperclip”. After World War II, over two thousand top Nazis and scientists were illegally secreted into the United States. Many were placed in the top-secret military installation in Tonopah, Nevada known as “**Area 51**”. The perfection of the Nazi anti-gravity aircraft (flying saucers) was to be completed there, among other secret electro-magnetic technologies. “Operation Paperclip” was overseen by America's most powerful Knight of Malta, **J. Peter Grace**. Grace was subject to the Jesuit-trained **Archbishop Spellman**, as the American headquarters for the Knights was and is St. Patrick's Cathedral in New York.

Years later the Knights would oversee another clandestine event known as “Operation Mongoose”. Mongoose, like Hitler's “Operation Barbarossa” was a Jesuit-controlled fascist Crusade, betrayed by high-ranking intelligence officers who were Knights of Malta loyal to the Jesuit General. The result of the Bay of Pigs invasion, the Cuban Missile Crisis and Operation Mongoose — *all failures due to high treason* — was the securing of Jesuit-trained **Fidel Castro's** absolute power over Roman Catholic Cuba.

At the time of the Bay of Pigs invasion the Director of the CIA was **Allen Dulles** whose nephew, **Avery Dulles**, was an active participant in Vatican II and is presently a powerful Jesuit and Cardinal at Fordham University in New York. Embarrassed, President Kennedy relieved Dulles of his command and appointed

Knight of Malta **John McCone** as the Agency's new Director. The President then took steps to break the CIA "into a thousand pieces."

This the Jesuits would never permit! The CIA was a necessary tool in preventing popular government from emerging around the world. (It would betray the Hungarian Revolution of 1956 into the hands of the Russian Communist Army and KGB, among other nefarious acts.) The Jesuits' great deception known as "The Cold War" must continue. Protestant America must be conquered from within, depriving her of sacred, Baptist liberties by "Royal Edicts" known as "Executive Orders".

The Inquisition behind the "Iron Curtain" known as "communism" must continue. From 1917 to 1990 one hundred million people must be tortured and murdered and **the Bible** must be suppressed. Indeed, the difference between the Jesuits' Inquisition in Europe during World War II and the Jesuits' Communist Inquisition in Orthodox Russia and the Buddhist Far East is *none*. Both Inquisitions have been financed and supported by the Jesuit-controlled governments of the United States and Great Britain — *to the shame and disgrace of both generally Protestant peoples!*

The Jesuits, refusing to permit President Kennedy to destroy their CIA, called upon their fanatical "Cold Warrior", **Francis Cardinal Spellman**. He in turn called upon the head of his American "tongue" of the Knights of Malta, **J. Peter Grace**. The plan was to assassinate President Kennedy in broad daylight as a warning to the heads of all nations should they dare to interfere with the Pope's International Intelligence Community enforcing his **Temporal Power**. Meanwhile, the Jesuit-trained, communist Cuban dictator sent his ambassador to the Nation State of the Sovereign Military Order of Malta — *to this day!*)

After **Pope Pius VII** was released from Napoleon's prison he formally restored the Jesuit Order with a **Papal Bull** in 1814. (A Bull is the strongest legal document a Pope can issue.) In that **Bull of Restoration**, the Pope added:

"...if any should again attempt to abolish it [*the Society of Jesus*] he would incur the indignation of Almighty God and of the Holy Apostles Peter and Paul." ⁴

As a result in 1816:

"John Adams wrote Thomas Jefferson about Pope Pius VII's reinstatement of Jesuits repressed by Pope Clement XIV:

'My history of the Jesuits is not eloquently written, but it is supported by unquestionable authorities, is very particular and very horrible. Their restoration is indeed a step toward darkness, cruelty, perfidy, despotism, death...I do not like the appearance of the Jesuits. If ever there was a body of men who merited eternal damnation on earth and in hell, it is this Society of Loyola's.' " ⁵

On July 13th, 1886, **Pope Leo XIII** with a **Brief**, *after enduring three days of severe illness*, restored all the remaining privileges withheld by **Pius VII** upon the Order's re-establishment in 1814, *to do as they please unrestrained by any human authority; as, no Pope or Grandmaster of the Knights of Malta* has successfully challenged the power of the General of the Jesuits, known as "**the Black Pope**".

Since 1814 the General has kept the Pope in check. If a Pope becomes politically "**liberal**" favoring the rights of the people, he is punished, as **Pius IX** in 1848. (Pius resisted the policy of the Jesuits' Holy Alliance by declaring himself a liberal, *favoring popular government*, as he proclaimed a general amnesty to political offenders and began to form a Constitution for Italy with **Rossi**. This resulted in the Jesuits causing a revolution in 1848 forcing the Pope to flee the city. Upon his return in 1849, protected by the French troops of **Napoleon III**, Pius IX obeyed his Jesuit masters becoming thoroughly absolutist for the rest of his Pontificate.) But if the Pope determines to resist the power and purpose of the "Father General" he suddenly dies, as **Pope John XXIII** in 1963. (Pope John resisted the Jesuit General's *secret policy* of continuing the Cold War. He promoted the Order's *open policy* of ending the Cold War in seeking to establish a **World Government** put forth during the Second Vatican Council.) A few months later President Kennedy was assassinated as he pursued the World-Government policy of Pope John XXIII in seeking to *prematurely end the Cold War* by withdrawing troops from Vietnam. That assassination was carried out by the Cold Warriors of **Cardinal Spellman**. They were the Knights of Malta and Shriners in alliance with the Jesuit Order.

Indeed, President Kennedy was wounded in the house of his friends, one of them being his own father — *Cardinal Spellman's most powerful Knight of Malta* — **Joseph Kennedy!** Dear truth-seeker, never forget these words of Ignatius Loyola, though spoken over four centuries ago, having pierced our unguarded hearts on November 22, 1963:

"Finally; — Let all with such artfulness gain the ascendant over princes, noblemen, and the magistrates of every place, that they may be ready at our beck, even to sacrifice their nearest relations and most intimate friends, when we say it is for our interest and advantage." ⁶

The Black Pope

Dear truth-seeker, you have now finished your **Second Block** of Jesuit history. Once again it is time to pause and reflect. You now have an understanding of *the most important forty-one years* in Modern History. You must remember the Jesuits created other international secret societies prior to and during this time. Working together they brought about the tremendous upheaval in 1789, *to which the movement of modern Communism is traced*, resulting in the Napoleonic Wars.

By 1815, at the time of the **Congress of Vienna**, the Jesuits were more powerful than before their suppression. Their purposes remained the same. The

Jesuits had united under **THE POWER** of the **Black Pope** all Freemasonry (using **Weishaupt** and his Illuminati in 1776, **Knigge** at the **Congress of Wilhelmsbad** in 1782, at which the Papal “compass and square” – *appearing in the stained-glassed windows at the Cathedral of Notre Dame in Paris* – first began to assume its Masonic significance, and **Frederick the Great** creating the Supreme Council of Thirty-third degrees (remembering that even as **the Society of Jesus** has its *Constitutions*, even so Shriner Freemasonry has its *Constitutions*) in 1786) and sought to destroy the **Protestant Reformation** returning the world to the **Dark Ages**. They would terribly persecute the Jews as in the Dark Ages while seeking to exalt **the Papal Caesar** to the place of an “*infallible*” Priest-King, ruling the world from **Jerusalem** as “the universal god” (like the Grecian “**PAN**” or Egyptian “**SET**” of old, symbolized by the goat’s head of Mendes. This Satanic goat’s head depicted by “**the Baphomet**” was, according to **Von Hammer** in his *Mines de l’ Orient*, 1818, the symbol worshipped in the secret rites of those bloody Crusaders for the Popes, the **Knights Templars**, known today as **Shriner Freemasons**). He would exercise the power of an absolute Monarch over all the kings and dictators of the earth. In so doing the Jesuits would suppress any attempt by any people to establish popular, or as they called it, “*liberal*” government. These maxims would never change because the Jesuit Order would never change, remembering the words of a former Jesuit General:

“**Let them be as they are or else not be!**”³

It is with these insights that we shall fully understand the Nineteenth Century leading into World War I. The Brotherhood will make great gains, as in the assassination of the Japanese Emperor and the overthrow of the Japanese shogun (1868), its reentrance into Japan (1873), the destruction of America’s Protestant Republic (1868) and the Pope being declared to be “*infallible*” (1870). The Order will also experience great losses, as in the Pope losing his **Temporal Power** to the Italian patriots (1870), as well as its expulsion from the German Empire (1872) and from Republican France (1880 and 1901).

But the Jesuits never forsake their grand design. With a will of steel, inspired of **Satan**, they regrouped in America and England, maneuvered their forces into critical positions throughout the world and then, at the will of their “Father General”, ignited gigantic wars, the outcomes of which the Jesuits held in their hands. They further amassed power and wealth, moving ever closer to the “*infallible*” **Papal Caesar** and **Priest-King** of their making, ruling all the nations of the world through the Jesuit General’s universal “*Monarchy of Solipsos*” from his palace-temple located *at the center of the earth*, from **Solomon’s rebuilt Temple in Jerusalem!**

Chapter 20**The Jesuits – 1815****The Congress of Vienna****The Holy Alliance****Prince Metternich**

“When Sovereigns require a Jesuit’s opinion on any subject, the Jesuit in question is to report the matter to his Superior, who is to lay it before several Jesuits for discussion. The resolution formed after this consultation is supplied to the Jesuit who has been consulted by the Sovereign.”¹

“They are *Jesuits*. This society of men, after exerting their tyranny for upwards of two hundred years, at length became so formidable to the world, threatening the entire subversion of all social order, that even the Pope, whose *devoted subjects* they are, and must be, by the vow of their society, was compelled to dissolve them.

They had not been suppressed, however, for fifty years, before the waning influence of Popery and Despotism required their useful labors, to resist the light of Democratic liberty, and the Pope (Pius VII.) simultaneously with the formation of the Holy Alliance, revived the order of the Jesuits in all their power. From their vow of “*unqualified submission to the Sovereign Pontiff*,” they have been appropriately called the *Pope’s Body Guard*.

And do Americans need to be told what *Jesuits* are?...they are a *secret* society, a sort of Masonic order, with superadded features of revolting odiousness, and a thousand times more dangerous. They are not merely priests, or of one religious creed; they are merchants, and lawyers, and editors, and men of any profession, having no outward badge, (in this country) by which to be recognized; they are about in all your society. They can assume any character, that of angels of light, or ministers of

darkness to accomplish their one great end, the *service* upon which they are sent, whatever that service may be. They are all educated men, prepared and sworn to *start at any moment, and in any direction*, and for any service, commanded by the general of their order, bound to no family, community, or country, by the ordinary ties which bind men; and *sold for life* to the cause of the Roman Pontiff.”²

“The sovereigns of the ‘Holy Alliance’ had massed large armies, and soon entered into a pledge to devote them to the suppression of all uprisings of the people in favor of free government; and he [*Pius VII*] desired to devote the Jesuits, supported by his pontifical power, to the accomplishment of that end. He knew how faithfully they would apply themselves to that work, and hence he counseled them, in his decree of restoration, to strictly observe the ‘useful advices and salutary counsels’ whereby Loyola had made absolution the cornerstone of the society.”³

“The Congress of Vienna...which had held its session secret, covering the whole year of 1814-15...was a black conspiracy against Popular Governments at which the ‘high contracting parties’ announced at its close that they had formed a ‘holy alliance.’ This was a cloak under which they masked to deceive the people. The particular business of the Congress of Verona it developed, was the RATIFICATION of Article Six of the Congress of Vienna, which was in short, a promise to prevent or destroy Popular Government wherever found, and to re-establish monarchy where it had been set aside.”⁴

The business at hand was now to suppress the movements for free government in Europe and elsewhere. The Jesuits had used the people and **Napoleon** to punish the Monarchs. The people, excited with the taste of republican freedom, must now be prevented from establishing “liberal” or non-absolutist governments. So the **Congress of Vienna**, having created “**the Holy Alliance**”, was called in 1814; while, **the Papal Caesar** restored his Bodyguard, **the Society of Jesus**, to its former status as the Order had existed before the French Revolution and Napoleonic Wars.

The Congress of Vienna had representatives from all the sovereigns in Europe. **Tzar Alexander I** attended personally. Evidenced of its Jesuit control, there was even a representative from Protestant England. The three major players were the sovereigns from **Russia, Prussia and Austria**, overseen by **the Pope**, “*King of the Papal States*”. (This is important to remember; for, when the Jesuits decided to change their form of absolutism from Roman Catholic, feudalistic, Machiavellian monarchies to Atheistic, socialist-communist, Platonic “republics”, *in contrast to Protestant-Calvinist, free enterprise, Biblical republics as established in Holland and America*, all three monarchies were permanently abolished by the end of World War I.) By the time that “Summit” in Austria had terminated in 1815, the nations of Europe had been *realigned* and the monarchies *reestablished* under the watchful eye of the acting “Holy Roman Emperor”, **Prince Metternich**, and the “Grand Inquisitor” himself, **Jesuit General Brzozowski**.

The Congress, in purposing to destroy all movements for popular liberty, had for its head, *the evil Prince von Metternich* of Austria. What **Napoleon** was to the Monarchs, **Metternich** would be to the peoples. Of this beast of a man we read from the father of Morse Code:

“ ‘Prince Metternich,’ says Dwight, ‘is regarded by the liberals of Europe as the greatest enemy of the human race who has lived for ages.

You rarely hear his name mentioned without exciting indignation, not only in the speaker but in the auditors. Metternich has not been attacking MEN but PRINCIPLES, and has done so much towards destroying on the continent those great political truths which nations have acquired through ages of effort and suffering, that there is reason to fear, should his system continue for half a century, liberty will forsake the continent to visit it no more. The Saxons literally abhor this Prince. The German word *mitternacht* means *midnight*. From the resemblance of the word to Metternich, as well from his efforts to cover Europe with political darkness, the Saxons call him Prince *Mitternacht* — Prince *Midnight*.”⁶ [Emphasis added]

And what did this “Prince Midnight” do? He enforced the political tyranny of the Holy Alliance. **Morse** continues:

“He persuaded the Emperor of Austria and King of Prussia *not to fulfill the promise* they so solemnly made to their [*Protestant and Catholic*] German subjects of giving them free constitutions. It was the influence of Metternich that prevented Alexander [*Tzar and protector of the Russian Orthodox Church*] from assisting [*Orthodox*] Greece in her struggles for liberty. [*Could this Jesuit political control be the same reason “the Former Soviet Union” did not give aid to their Orthodox Serbian brothers during the War in Bosnia in 1998?*] He lent Austrian vessels to assist the [*Moslem*] Turks in the subjugation of the [*Orthodox*] Greeks. [*Was this not President Clinton’s policy for the Serbs of Kosovo in 1999?*] Metternich crushed the liberties of [*Roman Catholic*] Spain by inducing Louis XVIII [*King of France*]...to send 100,000 men there...to *restore public order!* When Sicily, Naples and Genoa, in 1820-21, threw off the galling yoke of slavery, Metternich sent his 30,000 [*Roman Catholic*] Austrian bayonets into [*Roman Catholic*] Italy and re-established despotism.”⁷ [Emphasis added]

Metternich was a most faithful tool of the Jesuits; as, “his rule was shored up by a standing army of soldiers, a sitting army of bureaucrats, a kneeling army of priests, and a creeping army of informers.” His **Congress of Vienna** enforced the political tyrannies championed by the Jesuit Order and their **Council of Trent** — regardless of the religion of any nation *including Roman Catholicism*. Metternich was also the bosom friend of that “Radical Red” Republican from Massachusetts, **Senator Charles Sumner**. Sumner was the leading radical in the Senate, whose Federal “Grand Army of the Republic” conducted a *war of annihilation* against the peoples of the American Protestant and Baptist-Calvinist South from 1861 to 1865.

As we shall see, Rome's present quest for an international fascist, socialist-communist police state is the same policy of the Jesuit General's Holy Alliance. That policy of "no religious freedom" and "no political freedom" has been continued by the **International Intelligence Community**, by the **United Nations (UN)** and will be strictly enforced during the General's coming **New World Order** —the restoration of the "infallible" **Papal Caesar's Dark Ages**. The propaganda being used to bring this about is called "**the New Age Movement**", the conclusion of that agenda culminating in:

"...the man of sin..."

— II Thessalonians 2:3

in **Jerusalem** — the Jesuits' *White "infallible" Gentile Pope*, risen from the dead, given all the kingdoms of the world, ruling from Solomon's rebuilt Temple having previously destroyed Vatican City, and *invincible* for forty-two months. Key to his great **Satanic Power** will be his *Baal-worshipping, Jewish False Prophet* who,

"...had two horns like a lamb, and spake as a dragon.
And he exerciseth all the power
of the first beast before him,
and causeth the earth and them which dwell therein
to worship the first beast,
whose deadly wound was healed."

Chapter 21

The Jesuits – 1822 - 1825

The Secret Treaty of Verona

The Monroe Doctrine

The Secret Plans at Chieri

“...Jesuitism inspired its followers with fanaticism...There was no crime too great for them to commit, no deception too base for them to practice, no disguise too difficult for them to assume...It was a fundamental principle of the order that the end justifies the means. By this code, lying, theft, perjury, assassination, were not only pardonable but commendable, when they served the interests of the church. Under various disguises the Jesuits worked their way into offices of state, climbing up to be the counselors of kings, and shaping the policy of nations.”¹

Ellen G. White, 1888
 Founder, Seventh-day
 Adventist Church
The Great Controversy

The Jesuits had not only conspired against the peoples of Europe, they had also conspired to overthrow the government of the United States as its **Constitution** protected the rights of *Protestant American freemen*. (Remember at the breaking out of the American Revolution there were less than thirty thousand Roman Catholics and twenty-five priests in the Colonies.) Of this great conspiracy we read the words of Senator **Robert L. Owen** recorded in the *Diplomatic Code*, by Elliot, page 179:

“The Holy Alliance having destroyed the popular government in Spain, and in Italy, had well-laid plans to destroy popular government in the American Colonies which had revolted from Spain and Portugal in Central and South America under the influence of the successful example of the United States.

It was because of this conspiracy against the American Republic by the European monarchies that the great English statesman, Canning, called the attention of our government to it, and our statesmen then, including **Thomas Jefferson**, who was still living at that time, took an active part

to bring about the declaration by **President Monroe** in his next annual message to the Congress of the United States that the United States would regard it as an act of hostility to the government of the United States and an unfriendly act, if this coalition, or if any power of Europe ever undertook to establish upon the American continent any control of any American republic, or to acquire any territorial rights.

This is the so-called Monroe Doctrine. The threat under the secret treaty of Verona to suppress popular government in the American republics is the basis of the Monroe Doctrine. This secret treaty sets forth clearly the conflict between the government of the few as against the government of the many.”² [Emphasis added]

Yes, dear truth-seeker, the **Holy Alliance** of 1815 with its **Secret Treaty of Verona** of 1822 was a massive conspiracy against the government and people of the United States as established by **George Washington**.

The **Monroe Doctrine** was put forth in 1823 to resist this conspiracy. It was the basis for **President Lincoln** commanding the French army – *sent by the Jesuits' Napoleon III* – to leave Mexico, during the War Between the States. This Monroe Doctrine was the basis by which **President Kennedy** commanded the Russian fleet to stay out of Cuba during the Missile Crisis of 1962. Ultimately, both Lincoln and Kennedy were assassinated by Loyola's Blackrobes, surnamed *The Engineer Corps of Hell*, as both sought to resist the Jesuit General's policies of the **Holy Alliance** in making their **Papal Caesar** the Universal Monarch of the World.

In addition to the **Congress of Vienna** and the secret **Treaty of Verona**, the Jesuit Order further perfected its grand design in a little town called Chieri located in Italy. The following quote, first appearing in *The Secret Plan*, is taken from Augusta Cooke's great book, *Bolshevism and the Jesuits' Church: Throne and Empire in Danger*, published in the early 1930s. The quote appears to be a combination of the *Secret Instructions of the Jesuits* and *The Protocols of the Meetings of the Learned Elders of Zion*. We read with wonder:

“SECRET PLANS AT CHERI

In 1825, some eleven years after the revival of the Jesuit Order, a secret meeting of leading Jesuits was held at their College at Chieri near Turin, in Northern Italy. At that gathering plans were discussed for the advancement of Papal power, world-wide, for the destabilizing of governments who stood in the way and for the crushing of all opposition to Jesuit schemes and ambitions.

A young Jesuit, named Leone, a favourite of the Rector at Chieri (who subsequently became General of the Order) took notes of the speeches and discussions at Chieri and these were afterwards published by a French publisher. In 1848 they were translated into English and published as a book entitled *The Secret Plan* by Leone, which has been thoroughly authenticated and can be read in the Library of the British Museum. It makes enlightening reading and we will now reproduce some extracts as originally published by the late Augusta Cooke.

A. Long Term Plan for World Government

The first generation will not belong to us; the second will nearly belong to us; the third will entirely belong to us. You well know that what we aim at, is the Empire of the World.

B. Working in Secret and Using Duplicity

Let us prefer a Secret War, let us shun too much light.

Every Bishop must vigorously act upon this principle, be gentle but inflexible — Let him know how to assume the demeanor of a lamb...which will win all hearts; but let him also know how to act with the fierceness of a raging lion when he is called upon to defend the rights of the Church...Nothing ought in fact to distinguish us in appearance from other men. Yes, the Catholic exterior may be sociable but let him not the less cherish within him concentrated rage and unconquerable antipathy.

C. Working by Revolution and Class Warfare to Destabilize Opponents

When the ebullition [*state of boiling agitation*] which we are secretly fomenting shall have reached a sufficient point, the cover shall be suddenly removed, and we shall pour our liquid fire upon those political meddlers who are ignorant and unreflecting enough to serve as tools in our hands, and our efforts will result in a Revolution, worthy of the name, which shall combine in one universal conquest, all the conquests that have been made.

For I would not have it lost sight of, that our chief concern must be to mould the people to our purpose...yes, the people are the vast domain we have to conquer...the higher classes are always very inaccessible to

the lower ones. Let us nourish their mutual antipathy. Let us accustom the mob, which is in fact an implement of power to look upon us as its warmest advocates: favouring its desires, let us feed the fire of its wrath and open to its view a golden age [*the New World Order*].

D. Influencing the Great and Powerful

It is upon the great that we ought particularly to exert our influence. We ought to bring them to believe that in a period as storming as this there is no safety for them but through us. We must give them to understand that the cause of evil, the bad leaven, will remain as long as Protestantism shall exist, that Protestantism must therefore be utterly abolished.

E. Using Writers and Authors

We ought by every possible means to secure the aid of modern thinkers, whatever be the nature of their opinions. If they can be induced at all, to write in our favour, let us pay them well either in money or laudation [*America's Council on Foreign Relations*].

F. Ireland Their Hope

Initiated fathers [*Professed Jesuits*], great are the hopes I build on the energies of OUR IRELAND. I regard her as OUR CHAMPION. Let us only be careful to anoint her effectually with our oil, so that in wrestling with her tyrant she may always slip from his grasp. In how many folds may she not entangle the British she-wolf if she will but listen to our counsels...What may we not make of an idiot, savage and famishing people (the Irish)? [*Is this what the Jesuits think of their Irish Catholics?*] It will prove our Samson and with its irresistible jawbone it will grind to dust the myriads of Philistines (the British).

And now we learn what is the baptism of fire, which at each confession I used to pour upon the heads of my penitents in Ireland:

'Poor people' I say to them, 'How have they degraded you...look at these great landlords, they revel in wealth, they devour the land, they laugh at you...and yet if you knew how to count up your strength you are stronger than they [*agitating poor Catholics against wealthy Protestants justifying socialist-communism*].'

G. A Catholic 'Master Race'

The Catholic people is the successor to the people of God (Israel) [*Amillennialism*], consequently, heretics are the enemies (Canaanites) we are bound to exterminate. We may say that God designs for extermination, like the Canaanites all the nations that obstinately refuse to enter into the unity of the Church, and that the Vicar of Jesus Christ (the Pope) is appointed to execute these judgments in due time.

H. Hatred for Protestants

All will go well for us provided we can obtain that the Catholic from his childhood shall abhor even the breath of a heretic.

Catholics shall be imbued with hatred for heretics, whoever they may be and that this hatred shall constantly increase and bind them closely to each other. That it be nevertheless dissembled so as not to transpire until the day when it shall be appointed to break forth. That this secret hate be combined with great activity in endeavouring to detach the faithful from every government inimical to us and to employ them when they shall form a detached body to strike deadly blows at heresy [Stalin's NKVD, Donovan's OSS, Menzies' SIS and Hitler's SS].

When the evening comes we shall pay them in good money for the Middle Ages. Do they flatter themselves that no spark still smoulders in the ashes around the stake to kindle another fire...they are far from dreaming that we alone know how to prepare another revolution [The Second Thirty Years' War, 1914-1945], compared with which all theirs have been but pigmy insurrections. In calling us 'Jesuits' they think they have covered us with opprobrium. They little think that Jesuits have in store for them the censorship gags and flames and will one day be their masters.

I. Destroying Protestantism

We cherish at the bottom of our hearts this principle — that whatever does not unite with us must be ANNIHILATED and we hold ourselves ready to make as soon as we shall have the means [the Federal Reserve Bank], an energetic application of these principles.

Protestantism is already wearing out and sinking to decay. Yes we are destined to insult its last agonies, to march over its broken skeleton and scattered bones. O let us hasten this dissolution by our strong and united efforts.

Protestantism is becoming decomposed; it is falling to pieces. We are beginning to gain from it men of note [England's John Newman] and there are even high personages whom we have succeeded in convincing that if they continue to uphold Protestantism, they are lost.

J. View of the Bible

Then the Bible [The Authorized King James Version of 1611], that serpent which with head erect and eyes flashing threatens us with its venom while it trails along the ground, shall be changed into a rod as soon as we are able to seize it [The English Revised Version (as well as the many succeeding versions) completed in 1881, based on a corrupt, pro-Latin Vulgate Greek Text pursuant to the Council of Trent, and hailed by the Jesuits in Dublin, Ireland as "the death knell of Protestantism"]...for three centuries past this cruel asp has left us no repose. You well know with what folds it entwines us and with what fangs it gnaws us."³ [Emphasis added]

Dear truth-seeker, will the Jesuit Order continue to remain absolute in Washington, D.C. or will the **Son of God** raise up a deliverer for us as we obey His Word — The Authorized King James Version of 1611? The choice is ours!

Protestant American Artist and Inventor
1791 - 1872

The son of a Calvinist Congregationalist Minister, Jedidiah Morse, Samuel Morse is known as the father of Morse Code and the telegraph which he developed exercising his Protestant rights of freedom of conscience and freedom of the press, so condemned by the Jesuits' Council of Trent. His first message from Washington, D.C., to Baltimore in 1844 declared, "Look what God hath wrought!" Morse was also the author of *Foreign Conspiracy Against the Liberties of the United States* in which he warned his countrymen of the Great Jesuit Conspiracy to overthrow the liberties of Protestant "freemen" secured by the Constitution, replacing our form of government with the absolutism of a tyrant supported by Austria's Prince Metternich and his Holy Alliance. He also warned President Lincoln that the War Between the States had been planned deep within the Vatican and was a work of the Jesuits.

Chapter 22**The Jesuits – 1820 - 1848****Expelled From Russia by Tzar Alexander I
Using Protestant England to Restore the Monarchs and
Resist Popular Liberty**

“What is important is that a large sector of the public had gradually come to see, behind the Jesuits’ impressive front of world-wide influence a sinister design — a secret drive for power.”¹

Ernest O. Hauser, 1959

“Learn to know us, and in the first place know that in our first book we lied. We spoke of *liberty of instruction*. That means that the clergy alone should teach (Instruction belongs to the clergy, of divine right. The University has usurped. Either the University or Catholicism must give place.)...We spoke of *liberty of the press* — for ourselves alone. It is a lever of which the priest should obtain possession. As for industrial liberty, ‘to seize upon the different kinds of industry, is a duty of the church.’ *The liberty of worship!* Let’s not speak of it! It is an invention of Julian the Apostate. We will no longer tolerate mixed marriages! They performed such marriages at the Court of Catherine de Medicis, on the eve of St. Bartholomew!

Let them take care! We are the strongest. We give a sufficient proof of it, and one that cannot be answered; it is, that all the powers of Europe are against us. Except two or three little States, the whole world condemns us.”² [Emphasis added]

The Jesuits

By the year 1820 the Jesuits were in high gear restoring “the altar and the throne” in Europe. But their first major setback occurred when **Tzar Alexander I** expelled them from Russia. Of this great day we read:

“The Russian emperor, Alexander, was currently compelled to issue a royal ukase in 1816, by which he expelled them from St. Petersburg and Moscow. This proving ineffectual, he issued another in 1820, excluding them entirely from the Russian dominions. The emperor set forth in his decree that he had intrusted them with the education of youth, and had imposed no restrictions upon their right to profess and practice their own religion, but that they had ‘abused the confidence which was placed in them, and misled their inexperienced pupils;’ that whilst they enjoyed toleration themselves, ‘they implanted a hard intolerance in the natures infatuated by them;’ and that all their efforts ‘were directed merely to secure advantages for themselves, and the extension of their power, and their conscience found in every refractory action a convenient justification in their statutes’... ‘where, in fact, is the State that would tolerate in its bosom those who sow in it hatred and discord.’ ”³

(Yes, dear truth-seeker, right here in **Fourteenth Amendment America**, the “**Union of American Socialist Republics**”! The Order also took refuge in Quebec, Canada.)

The Jesuits were now formally expelled from Russia and would not be allowed to re-enter for over one hundred years. In 1922 the Bolshevik and Jewish Freemason, **Vladimir Lenin**, would give the Jesuit Order permission to return to the Jesuit General’s “**Union of Soviet Socialist Republics**”.

Meanwhile, the Sons of Loyola were busy using England in restoring the Monarchs to their thrones in Europe. (Indeed, the Nineteenth Century was “the British Century”!) They would also use England to suppress and hinder movements seeking to establish popular liberty. What a disgrace to the land of **Oliver Cromwell!** Of this we read:

“Amid all the crimes of Napoleon, let it be forever remembered that he annihilated this earthly hell [*the Inquisition*] with a word — but Englishmen restored Ferdinand to the throne of Spain, and Ferdinand restored the inquisition.”⁴

(**Ferdinand** also readmitted the Jesuit Order as did **Louis XVIII** of France.)

England also gave no help to the Italian patriots seeking to end Papal tyranny enforced by republican France, her troops under the command of the Jesuit General's **Louis Napoleon**. We read:

"On the return of the Pope [*Pius IX*] to Rome in 1849, and the overthrow of Italian liberty by the French republic [*controlled by the Jesuits' future Napoleon III*], the Roman patriots fled to British Malta, but were refused an asylum by the British governor, who, being a Roman Catholic, and, as such, owing a first allegiance to the Pope, dared not to give refuge to the enemies of the Church of Rome."⁵

Indeed, the history of the government of England from 1815 to the present has been entirely pro-Rome! She has never gone to war against France, especially the government of **Napoleon III** thanks to **Palmerston** (1784-1865); but, to the contrary, has sided with the French during both the Crimean War (1856) and the war in China against the **Manchu Dynasty** (1860). She also sided with France when the Jesuits' Napoleon III sent his troops to invade Mexico during the American "Civil War", as well as during World War I and World War II — the **Second Thirty Years' War**.

It is for this reason that England, France and the Pope never gave any true aid to the Protestant government of the Southern Confederacy during the American Civil War, properly called "the War Between the States" or "the War for Southern Independence". England threatened war with the North if Lincoln (having only forty-four percent of the popular vote) would not radically emancipate the southern slaves. As calculated, the **Emancipation Proclamation** destroyed Southern culture, which generally was a blessing to the Negroes, compared to their barbarism and cannibalism in Africa. France sent troops into Mexico pretending to unite with the Confederate Army, but withdrew giving only *the appearance* that it favored the South.

(**Pope Pius IX**, towards the end of the war, sent a letter to **Jefferson Davis** calling him the President of the United States. This too was a ruse of war, *as Pius IX could have prevented the immigration and enlistment of thousands of Irish Roman Catholics in the Northern Army*, thereby sparing Protestant Georgia of **General Sherman's** raping and thieving "bummers" during his Crusader's march from Atlanta to Savannah. Clearly, "the Holy Alliance" with its Jesuits, favored the North and its Radical Red Republican party, the new Federalists.)

It is for this reason that the Crown of England — the supposed protector of the anti-Pope, Anglican Church — never resisted the Jesuits' **Oxford Movement** from 1833 to 1845. This Tractarian Movement with **E. B. Pusey** and **John Newman** — *the John Newman who defected to Rome and was made a Cardinal by the Jesuits' Pius IX* — was never publicly condemned by any English Monarch including **Queen Victoria**.

For if the **Oxford Movement** had been exposed as a plot of the Jesuits to Catholicize England, the ensuing Revision Committee would *never* have been allowed to undermine the **Bible** of England's Reformation — **The Authorized King James Version of 1611**.

It is for this reason that the Jesuits used England to take Palestine from the Turks during World War I with the Arabs of **Lawrence of Arabia** and the British Army of **General Allenby**. And in so doing the Jesuits with their Knights of Malta in England sought to create the *Zionist Nation of Israel*. **Avro Manhattan** declares:

"...[*Knight of Malta*] St. John Philby...told the author in strictest confidence: how Lawrence of Arabia, while posing as the Arab's champion, had gone to London in secret, at least on two occasions, 'to confer with Churchill and the Zionists,' who were then planning the future state of Israel, even before the end of World War I."⁶

With the Balfour Declaration in 1917, a steady influx of Jews transpired for thirty years when, in 1948, England gave the land to the Masonic Jewish Zionists, heavily financed by the Jesuits' **House of Rothschild**. In 1967 the **Temple** site was taken from the Moslems enabling the Jews to lay the plans for the rebuilding of **Solomon's Temple**. The Arabs fully anticipated this. **Pierre van Paassen**, one of the greatest international correspondents of his day, wrote in 1939:

"In 1929 the Mufti raised the issue of religion: behind the peaceful behavior of the Jews loomed a sinister design to secure a numerical majority in the country. Once that was attained, the great mosque in Jerusalem was to be replaced with a Hebrew sanctuary..."

'Oh but that is common knowledge,' His Eminence added... 'Lord Melchett declared that he will consecrate the remainder of his life to rebuild the Jewish Temple. And here is something else,' added the 'Grand' Mufti: 'Professor Einstein believes that Palestine without the Temple is to the Jews like a body without a head. Do you see the real aims of the Jews? They want to destroy this mosque.'⁷

Little do the Jews, Arabs, and the English know that they have been *manipulated, used and betrayed* by the Jesuit Order through **Freemasonry**.

"The truth is, the Jesuits of Rome have perfected Freemasonry to be their most magnificent and effective tool, accomplishing their purposes among Protestants'..."⁸

For one day the wealthy Knights of International Shriner Freemasonry – who for a dress rehearsal have built the **Mormon Temple** in Salt Lake City, Utah – will rebuild **Solomon's Temple in Jerusalem**, and a risen Priest-King, the **Eighth Roman Caesar** chosen by the **Black Pope** and possessed by the **Devil himself**, will arrogantly

“...sit in the temple of God, shewing himself that he is God.”

– II Thessalonians 2:4

The Jesuits', by 1815 were in control of England, the Vatican and continental Europe once again. They were in command of International Freemasonry, the Sovereign Military Order of Malta and the Order of the Illuminati. Yet **Tzar Alexander I**, who died ten years later from poisoning, became a born-again Bible-believer, expelling the Sons of Loyola from Russia in 1820. Little did the Jesuits know that this first major expulsion, after the Order's formal restoration by the **Papal Caesar**, would be the beginning of a series of events *acting in unison* ordered by their **Great Enemy**, the risen **Son of God**, in answer to the prayers of his blood-bought people scattered throughout Europe. The **Ruler of Nations** would send His great preachers, like **Charles Haddon Spurgeon**, – *England's Prince of Preachers* – to boldly preach His glorious “*gospel of Christ*” being,

“...the power of God unto salvation to every one that believeth...”

– Romans 1:16

His **Holy Spirit** would mightily move upon the hearts of many, causing the **Second Great Awakening of 1835** and the **Welsh Revival in 1859** among English-speaking peoples. England's **China Inland Mission** flourished while many a Gentile became “*a Jew inwardly*”, as He invisibly circumcised the hearts and saved the souls of learned and brave Roman Catholics having been shackled to the Pope's religious and political tyranny for all of their lives. Hundreds of authors would begin to expose the true colors of the Jesuit Order, validated with impeccable lives and irrefutable facts obtained from personal experience, the most outstanding and extensively quoted herein being **M. F. Cusack**, **G. B. Nicolini** and **Luigi Desanctis**. Seated at the right hand of His **Heavenly Father**, the risen **Son of Man**, who is “*a Priest for ever after the order of Melchizedek*”, ordered a series of events *acting in unison* causing another upheaval for **Satan's Society of Jesus**. Those events occurred during the Nineteenth Century, called by the Company “**the Century of Disaster**”. One of the individuals involved who struck a blow for liberty was a Frenchman — *and a hero*.

His name was **Eugene Sue**.

Alexander I, 1777 – 1825
Tzar of all the Russias, 1801 - 1825

The Tzar of Tolstoy's *War and Peace*, Alexander is one of the greatest rulers in Russian history. Having consented to his father's assassination, he evidently repented of his sin, believed on the risen **Son of God** and found forgiveness and comfort through the Scriptures. Although a party to Prince Metternich's “**Holy Alliance**”, he was tolerant of every religious sect including the Jews. During the reign of his grandmother, Catherine “**the Great**”, the **Society of Jesus** found refuge in the Empire, greatly increased its power among the Orthodox Clergy and spread the growth of Freemasonry in the twin cities of Moscow and St. Petersburg. But in 1820 Alexander expelled the **Papal Caesar's Militia of the Black Pope** until formally readmitted by Lenin and his Masonic Jewish Bolsheviks in 1922. For this the Jesuits murdered him in 1825, slipping him “**the poison cup**.”

Chapter 23**The Jesuits – 1844****Eugene Sue and his Masterpiece: "The Wandering Jew"**

"Imagine an association whose members having destroyed all ties of family and of country, to be singled out from among men, and whose forces are to be concentrated at last to one united and formidable end, its plan devised and it establishes its dominion by all possible means over all the nations of the earth.

Imagine this immense conspiracy...of a force hidden and silent. SUCH ARE THE JESUITS. Always expelled, forever returning, and little by little clandestinely and in the darkness throwing out its vigorous roots. Its wealth may be confiscated, its losses cannot be detained for they are covered...At times mixing in politics, agitating states and making princes to tremble upon their thrones, for they are terrible in their hate. WOE UNTO HIM WHEN THEY TURN UPON HIM AS HIS ENEMY! By very especial grace from heaven, any who may raise obstacles against them, although they may be found at the summit of the most lofty grandeur, yet will they be stricken down as with a thunderbolt. The formidable 'Company of Jesus' is a society of dead men!

Established and directed with the proposition of universal domination, this Society presents in the means of its organization such power of invasion that we cannot think of it without being oppressed by a species of fear...

For themselves, they are nothing, not having pompous titles, no sumptuous ornaments, no crosiers, no mitres, no capes of the prebendaries, but pertain to that one Order everywhere governing and directing. Of command, others have the appearance; but these possess the reality. *In whatever place of the Catholic world a Jesuit is insulted or resisted, no matter how insignificant he may be, he is sure to be avenged — AND THIS WE KNOW.*"¹ [Emphasis added]

Charles Sauvestre, 1850
French Historian
The Company of Jesus

Eugene Sue was cut from the same mold as the great anti-Jesuit and Roman Catholic French patriot, **General Lafayette**. In fact they were contemporaries. He published his masterpiece and international bestseller, *The Wandering Jew*, in 1844. At that time the powers of the **Holy Alliance** were supreme in Europe. France, however, was enjoying the non-absolutist rule of its "Citizen-King", **Louis Philippe**. **Prince Metternich** of the Austrian **House of Hapsburg** was still alive using the armies of the Monarchs to suppress and murder any people that would dare attempt a popular revolution. The Spanish people had expelled the Jesuits in 1820 and attempted to establish popular government. But the invading French army sent by the Jesuits' **Louis XVIII** crushed them.

By 1844, though France was enjoying good government, the peoples of Europe were becoming more and more oppressed by the power of the Jesuits controlling the affairs of States according to the purposes of the Holy Alliance. The peoples remembered the relative liberty given to them by **Napoleon** (as he used them to punish the Monarchs) and looked to the successful republican example of Protestant America. They yearned for that same freedom and were willing to die for it during this greatest of centuries!

At this time *The Wandering Jew* was published. Typical of the great, expressive heart of the French, the story draws from its reader every extreme of human emotion. Love, hate, joy, sorrow, hope, disappointment, suspense, courage, intrigue and surprise so grip the reader that the novel becomes irresistible. The righteous priest **Gabriel**, the poor but loyal hunchback **Mother Bunch**, the assassin **Faringhea**, the beautiful and accomplished **Adrienne**, the courageous Indian prince **Djalma**, the old soldier of Napoleon's army **Dagobert**, and General Simon's innocent little girls, **Rose** and **Blanche**, are but a few of the wonderful characters used to convey a story of so great a magnitude and final tragedy as to move anyone with a heart to action — *action against the Jesuit Order!*

One of the key characters is **Rodin the Jesuit**. He is thoroughly evil, deceptive, treacherous, heartless, and completely loyal to the General in Rome. He is the key player in attempting to steal a huge fortune from a French Protestant family, which is held in trust by a Jew.

Another character is the Jesuit, **Abbe'-Marquis d'Aigrigny**. The author assigns this traitor the perfect narrative describing the function and power of the Order. We read:

"What ought not to be sacrificed in order to reign in secret over the all-powerful of the earth, who lord it in full day?" This journey to Rome, from which I have just returned, has given me a new idea of our

formidable power. For...it is Rome which is the culminating point, overlooking the fairest and broadest quarters of the globe, made so by custom, by tradition, or by faith. Thence can our workings be embraced in their full extent. It is an uncommon view to see from its height the myriad tools, whose personality is continually absorbed into the immovable personality of our Order. What a might we possess! Verily, I am always swayed with admiration, aye almost frightened, that man once thinks, wishes, believes, and acts as he alone lists, until, soon ours, he becomes but a human shell; its kernel of intelligence, mind, reason, conscience, and free will, shriveled within him, dry and withered by the habit of mutely, fearfully bowing under mysterious tasks, which shatter and slay everything spontaneous in the human soul! Then do we infuse in such spiritless clay, speechless, cold, and motionless as corpses, the breath of our Order, and, lo! the dry bones stand up and walk; acting and executing, though only within the limits which are circled round them evermore. Thus do they become mere limbs of the gigantic trunk, whose impulses they mechanically carry out, while ignorant of the design, like the stonemason who shapes out a stone, unaware if it be for cathedral or bagnio [*brothel*]...

But now, in spite of the misfortunes which have befallen our Order, I feel myself a thousand times more ready for action, more authoritative, more strong and more daring, at the head of our mute and black-robed militia, who only think or wish, or move and obey, mechanically, according to my will. On a sign they scatter over the surface of the globe, gliding stealthily into households under the guise of confessing the wife or teaching the children, into family affairs by hearing the dying avowals, – up to the throne through the quaking conscience of a credulous crowned coward; – aye, even to the chair of the Pope, himself, **living manifesto of the Godhead though he is**, by the services, rendered him or imposed by him. Is not this secret rule, made to kindle or glut the wildest ambition, as it reaches from the cradle to the grave, from the laborer's hovel to the royal palace, from the palace to the papal chair?" ² [Emphasis added]

Having fired the soul of the French, *The Wandering Jew*,

"...caused such a storm of indignation that the [*Jesuit*] novitiate was moved from Avignon to Nice on orders from General Roothaan. Jesuits in Paris were hastily redistributed, and in other danger spots there was a thinning and scattering of members..." ³

It was these descriptive and accurate portraits of the Jesuit Order that brought Eugene Sue world renown. He also became the accursed enemy of the Brotherhood.

As we shall see, the Jesuits excited the Second French Revolution bringing their perfected doctrines of "communism" into the European upheaval of 1848. As a result, **Louis Napoleon**, the nephew of **Napoleon** was brought to power in France. Four years later the Jesuits overthrew the Constitutional Government in a coup d'etat (even as they would overthrow the Weimar Republic in Germany) and Bonaparte declared himself **Emperor Napoleon III** (even as **Hitler** would be declared Chancellor of the Third Reich).

(Dear truth-seeker, now do you know why history repeats itself?)

It was now *payback time* for **Eugene Sue**. The Jesuits, with their creature Napoleon III, drove this fearless hero of international fame into exile. He died in banishment five years later, brokenhearted over the nation of his love, *to the disgrace of the people of France* and to the delight of the Jesuit Order.

But our hero was not the loser; for, humanly speaking,

*"Cowards die many times before their deaths;
The valiant never taste of death but once."* ⁴

As George Washington's aide-de-camp and later, upon his return from France, as a Major General, Lafayette drew Cornwallis, the English commander, into a trap at Yorktown causing his ultimate surrender. As long as Americans enjoy Protestant liberties, we remain indebted to the great French Roman Catholic, anti-Jesuit and friend of Eugene Sue, Marquis de Lafayette, who declared:

"If the liberties of the United States of America are destroyed it will be by the subtlety of the Roman Catholic Jesuit priests, for they are the most crafty, dangerous enemies to civil and religious liberty."

Throughout the Twentieth Century Lafayette's warning went unheeded resulting in the Order's absolute control of the American Empire from President Theodore Roosevelt to President George W. Bush.

 1798 - 1815

Like Lafayette, Sieyes was a contemporary of Eugene Sue. Educated by Jesuits and a prime mover of the French Revolution, he voted for the death penalty against Louis XVI; the Order considered the King to be a "tyrant and a usurper" for enforcing Louis XV's banishment of the Jesuit Order. As a member of the Directory, Sieyes engineered a coup d'etat in 1799, overthrowing the Directory and creating the Consulate with Napoleon the Freemason as first consul, he as the second. The Jesuit General, through his advisor to Napoleon, then proceeded to punish the Pope and the Roman Catholic Monarchs of Europe for daring to suppress the Society of Jesus.

The Second French Revolution
Napoleon III**

“The Jesuits, from 1830 to the end of '48, seemed to have lost all public favour, all influence and authority. Persecuted and hooted in France, Switzerland, Russia, hated in their own dominion, Italy, they were considered as a vanquished enemy, deserving rather commiseration than hatred...But the Papal protection was no longer sufficient to shelter the Jesuits from public hatred. Pius IX. lost a great part of his popularity, but could not save them. They were expelled from the whole of the peninsula [Italy, 1848] not as a general revolutionary measure, since all other religious communities lived unmolested, but as the manifestation of the public opinion against the hateful descendants of Ignatius... We leave these writers to reflect whether the Jesuits are a vanquished enemy, or whether they are not still redoubtable and menacing foes.”¹ [Emphasis added]

“The religion of Masonry is a system of absolute despotism, and like that of Rome, demands a blind unquestioning obedience to all its laws, rules, and edicts, whether ‘right or wrong.’...what a singular commentary on the indifference, the subserviency, or the cowardice of society, that an institution, professedly organized by such cunning knaves [*the Jesuits*], and for such base purposes, and which has been sustained by fraud, falsehood and deception, from the commencement of its career to the present time, should be permitted today to dictate to, if not virtually to rule the nation, and to create such a dread in communities that even some of the ministers of Christian denominations who detest its vile philosophy, and who would like to see it swept from the face of the earth, are absolutely afraid to mention its name, either in the pulpit, the prayer meeting or the Sabbath school, lest its secret vendetta vengeance might, in some concealed manner, be wreaked upon them.”⁴

The Vatican Billions

Dear truth-seeker, we now shall embark on a very deceptive and puzzling era of history for the student whose eye is not focused on the movements of the Jesuit Order. We shall first clarify the relationship between the political doctrine of Communism and the secret society of International Freemasonry.

Remembering our previous chapters, we know that socialist-communism was perfected by the Jesuits on their commercial “**Reductions**” or “**Communes**” from 1600 to 1750. The reductions had a storehouse or central bank and the Indians were given provisions “each according to his ability, each according to his need.”

We also know from our previous chapters that the old military Order of the **Knights Templars** – abolished by **Pope Clement V** in 1312 – was revived in 1717 in England called “**Freemasonry**”. Its stated purpose was to restore the pro-Jesuit **Stuart Dynasty** to the throne of England. This occult, Luciferian religion of Freemasonry, grounded in *the pagan, phallic, sex-worshipping mysteries* of ancient Babylon, was intended to create a universal religious and political Empire. Its doctrines would be in accord with the **Council of Trent** and its political agenda subject to the Jesuit General.

Therefore, we are not surprised in discovering that the Jesuit Order – *the creator of modern communism* – has written all the rites of **Scottish Rite Freemasonry**. In a letter written by **Charles Sotheran** addressed to the New York Press Club, dated January 11, 1877, we read:

“It is curious to note too that most of the bodies which work these, such as the Ancient and Accepted Scottish Rite, the Rite of Avignon, the Order of the Temple, Fessler’s Rite, the ‘Grand Council of the Emperors of the East and West Sovereign Prince Masons’, etc., etc., are nearly all the offspring of the sons of Ignatius Loyola. The Baron Hundt, Chevalier Ramsey, Tschoudy, Zinnendorf, and numerous others, who founded the grades in these rites, worked under instructions from the General of the Jesuits. The rest where these high degrees were hatched, and no Masonic rite is free from their baleful influence more or less, was the Jesuit College of Clermont at Paris.”⁷
[Emphasis added]

Examples of the Jesuits authoring the higher degrees, found in *Light on Free Masonry* written by **David Bernard**, a brave and honest Nineteenth Century Baptist-Calvinist and preacher of the gospel, are these:

1. **The Rite titled “The Holy and Thrice Illustrious Order of the Cross”** (see the comparison chart on the last page of Chapter Fourteen) **employs these words:**

“...we have confirmed the Induction of the Knight Templar Mason into the Councils of the said Order of Knighthood...and hoping and confiding that he will ever so demean himself as to conduct to the glory of **I.H.S.** the Most Holy and Almighty GOD, and to the honor of his MARK, we do recommend...”⁸

The initiation proceeds with questions from superiors and answers from the initiate:

“...‘what therein becomes your duty?’...

‘To receive the commands of my superiors in the order, and pay obedience thereto’...

‘By what right do you claim this duty?’...

‘By the right of a sign and the mark of a sign’...

Thereupon he produces his mark in his left hand, and with the forefinger of his right on the letter **S**, on the cross, asks,

‘What’s that?’...

‘Lisha.’...(he) puts his finger on the letter **H**, and asks,

‘What is this?’

‘Sha.’...(he) then puts his finger on the letter **I**, and asks,

‘What is this?’

‘Baal.’

‘What then is your mark?’

‘Baal, Sha-Lisha; [**I.H.S.**] I am the Lord.’”⁹

[The initiate then takes his Jesuitical oath:]

"To all this, and every part thereof, I do now, as before, by the honor and power of the mark, as by an...awful oath...solemnly...bind and obligate my soul... I become the silent and mute subject...of the Illustrious Order...and for a breach of silence...that I shall die the infamous death of a traitor...bearing testimony, even in death, of the power of the mark of the Holy and Illustrious Cross before I.H.S. our Thrice Illustrious Counselor..." [Could it be that "the mark of the beast" will be I.H.S.?] ¹⁰ [Emphasis added]

2. In a diploma titled "The Ancient Council of the Trinity, by their Successors in the United States of America" we read:

"To every Knight Companion of the Holy and Thrice Illustrious ORDER OF THE CROSS: ...we have confirmed the induction of the Knight Templar Mason into the Councils of said order of Knighthood, ...and hoping and confiding that he will ever so demean himself as to conduct to the glory of I.H.S., the Most Holy and Almighty God, and the honor of his MARK, we do recommend and submit him to the confidence of all those throughout the world..." ¹¹ [Emphasis added]

Dear truth-seeker, I.H.S., displayed on the cover of *Vatican Assassins: "Wounded In The House Of My Friends"*, is the seal of the General of the Jesuits created by **Ignatius Loyola** himself! **Ian Paisley**, Ireland's greatest preacher and defender of the Bible-believing Protestant faith, declares:

"When the original group in the crypt of Notre-Dame de Montmartre rose from their knees, Ignatius pointed to the letters on the altar—I.H.S.. 'These', he said 'stand for 'Jesus Hominum Salvator' (Jesus the Savior of Mankind), and they shall henceforth be the motto of our institution'. I.H.S. is the design of the Jesuits. These letters do not stand for what Ignatius affirmed. They are in fact the pagan mystical symbol of the Egyptian trinity **Isis, Horus, Seb**—the Mother, Child and Father of the Gods. No honest person could imagine that this double sense is accidental. I.H.S. pays the semblance of a tribute to Christianity, but they are in reality the substance of devil worship. The cloven hoof is upon them." ¹² [Emphasis added]

Therefore, the Almighty God of Freemasonry, "the Thrice Illustrious Counselor", to which every Shriner Freemason ultimately owes silent and mute obedience, is the same god of the **Society of Jesus** — **the Black Pope** — as he serves his master **Satan**, deceptively called **Lucifer**! His servants bear his mark — I.H.S..

The Jesuits having *revived* Freemasonry through which they *authored* Communism could *never* be openly identified with either system. The Jesuits boldly attack these systems with their mouthpiece, **the Papal Caesar**, or simply tolerate them. But they *do all* to conceal the facts that prove the **Society of Jesus** brought these diabolical systems into existence and *control them both*. On the surface the Jesuits appear to suffer by communist revolutions but after the dust clears *they always benefit!* An example of this is the **Second French Revolution** of 1848. The Jesuits, in defense of absolutism, claimed they suffered from this revolution. We read in a letter written by a Jesuit Provincial to the King of Naples in 1854:

"Majesty, that we both think, and believe, and sustain that absolute monarchy is the best of governments, is demonstrated by the damage we sustained in the year 1848. We were the victims of liberalism, because all liberals were and are well persuaded also, that the Jesuits are the supporters of absolute monarchy." ¹³

Yet in France, all the facts point to the realization that the Jesuits *ultimately benefited* from the revolution. **Louis XVIII** was a Jesuit tool ruling France from 1815 to 1824. His brother **Charles X**, then ruled under Jesuit supervision from 1824 until he abdicated in 1830, ending the Bourbon Dynasty. But then an enemy of the Jesuits and **Metternich's Holy Alliance** emerged on the scene. He was **Louis Philippe**, declared "King of the French". He was known as "**The Citizen-King**", and his government was one of moderation and order. His policies, like **Henry IV**, were benefiting the people while the idea of absolute monarchy was a thing of the past. He resisted the Jesuits' Holy Alliance by refusing to send French troops to protect the Pope during the Italian revolution of 1831...So the Jesuits used the Austrians. And what was the response of the Jesuits to this liberal King? *They hated him* and set the powers of the Holy Alliance against him. An agent of the Jesuits attempted to assassinate him, but failed, only wounding him. Finally, the Order fomented the Revolution of 1848, led by its Freemasons crying their old Masonic watchwords of "*liberty, equality, and fraternity!*" The Citizen-King abdicated, his throne was publicly burned and he was banished from France. Four years later, the French found themselves under the absolutism of the Jesuits' **Napoleon III**.

It was the same story for Italy — *bestowing temporary liberty giving way to tyranny*. Replacing the Citizen-King's liberal monarchy with a republic, the Jesuits installed **Louis Napoleon** as the President of France. He was the nephew of that great tool of the Order and Freemason, **Napoleon Bonaparte**. Louis Napoleon's first act was *to return the Pope to Rome* thereby destroying the Italian Republic, established in 1848, with the troops of republican France! The year was 1849. For twenty-one years the French Army would be garrisoned in Rome, preventing the Italian patriots from achieving national sovereignty *to the disgrace of the Protestant British Empire*

ruled by the Jesuit General! These were merely two of the many benefits the Company received as a result of the European Revolution in 1848.

(Dear truth-seeker, in 1870 things would change. The Franco-Prussian War would break out resulting in the French troops withdrawing from Rome. **Victor Immanuel II** would take the "Eternal City" and become King of Italy, taking the **Temporal Power** from **Pope Pius IX**. The Pope would declare himself a "prisoner" and lock himself in the Vatican for the rest of his pontificate, having previously condemned the modern world with his *Syllabus of Errors* in 1864.

As a result, the Pope would be deprived of his **Temporal Power** (the right to rule the governments of all nations) for nearly sixty years. *But Roman Catholic Italy would pay dearly for this* during World War I and World War II, the **Second Thirty Years' War**. One of the many benefits accruing to the Jesuits during the Second Thirty Years' War would be the restoration of the Pope's **Temporal Power** in 1929. Their "man of destiny" who signed the Lateran Treaty creating the Sovereign State of Vatican City would be the fascist, *absolutist*, military dictator, **Benito Mussolini**, whose friend and financier was a notorious thief, a fellow fascist, a fugitive from American justice and later, a member of New York's Mafia Commission — **Vito Genovese**. Mussolini's confessor was the secretary of the **Company of Jesus, Jesuit Venturi**. (What a depraved display of dastardly criminals!)

In 1849, while the Pope had been banished from Rome, the **Minister Sterbini** of the Italian Republic abolished the Holy Office of the Inquisition liberating its prisoners. The crowds cried, "Death to the Pope! Long live the Republic!" A group of men then inspected the subterranean prisons of the Inquisition. Two of the dungeons are described as follows:

"In one of these dungeons there was a stone staircase, which led to a still deeper dungeon. It was destined to receive those unfortunate ones who were condemned to be walled up to die. The skeletons that were found here indicated the mode of their barbarous execution. They let down these unfortunate ones with their hands and feet tied; they buried them up to the breast in dry lime, mixed with earthen cement, and left them there, closing the grating above. The positions of these skeletons showed the horrible struggle they must have had before finding death...

There remained to be seen the chamber of torture; it was in one of the lowest and most hidden dungeons...Near to this cellar the governor of the republic had caused an old wall to be broken down, on account of work which was to be done, but God willed that they should begin with the demolition of a very recent wall, made with lime and clay, colored

so as to appear old. Having pulled down the wall, another cellar was found, but instead of bottles, they found in it *two ovens, made like beehives*, and in these furnaces there were still calcified human bones. You cannot believe the horror that such a discovery occasioned the Romans; every one believed that the torture by fire was abolished. But the Holy Inquisition never derogates from its own laws, and when it can no longer burn in the open air, because the smoke would be seen, it burns them in the furnaces. We came out of so dreadful a place, never to return there again." ¹⁴ [Emphasis added]

(Dear truth-seeker, do the instruments of torture and ovens burning the bodies of the condemned resemble a recent event in modern history? Yes! For it was the Jesuits in control of **Hitler's homosexual Third Reich** who committed tortures (called "medical experiments") and burned the bodies of the condemned Jews — *in the ovens at Auschwitz!* As it has become unpopular for the Jesuits' **Holy Office** to destroy whole peoples in the name of the **Inquisition**, they do so in the name of *Democracy, Nazism, Communism, Fascism, Zionism* or any other form of *socialist absolutism*. In America they are doing so in the name of the American Medical (Murderer's) Association with their Inquisitors, the Food & Drug Administration. Now, back to France.)

In 1852 Louis Napoleon overthrew the French Republic with a coup d'etat as he declared himself **Napoleon III**, Emperor of the Second Empire. From that day until he was defeated by the Germans in the Franco-Prussian War of 1871, he was the dictator of France and the abject tool of the Jesuits of whom we read in 1854:

"We have arrived at a *great crisis*...Napoleon ascends the throne of France. The policy of the latter days of his great uncle he carries out, and espouses the cause of the Papacy. The Church of Rome, in France, rises, with extraordinary power. Napoleon assumes the title of "Protector of the Holy Places"...Napoleon cannot hold a review without a military mass, he cannot send out a fleet without commending it to the virgin, whose image he devoutly inaugurates in the flagship. Napoleon, be his private views what they may, is a champion of the Papacy, and the Papal authorities are loud in his praise." ¹⁵

The question arises: "*Who benefited from the Revolution of 1848?*" The Citizen-King was overthrown and the Pope was punished for his liberalism, being driven from Rome by Italian patriots led by Freemasonry. The French Army of **Louis Napoleon** then restored **Pius IX** to power and Louis in turn became an absolute Monarch, **Napoleon III**. And thus, Napoleon III was a dedicated servant of the Jesuits. Yes, like the first French Revolution and Empire, the Jesuits greatly benefited from the second French Revolution and Empire. They turned legitimate grievances of

oppressed peoples into revolutions *managed for their own gain* — just like the Black American Civil Rights movement of the 1960s!

We now must stand back and gaze at the forest having examined the trees. The Jesuits revived and controlled high-level Freemasonry. They authored Socialist-Communism. By 1815 they had gained control of England and the Papacy. They had created the Holy Alliance to crush popular governments. The Order was the great instigator of both French Revolutions and the absolute sovereign of both French Empires, overthrowing the kings who dared to resist the power of its General.

But times were changing by the 1840s. The old absolutism was on its way out. The altar and the throne were hated. So the question the Jesuits must have asked was, “*How can we maintain absolutism and make it look like a government of the people?*” The answer was to introduce Socialist-Communism, *by way of Freemasonry*, into Europe. But the Order could never formally endorse it, as it must appear to be its foe.

Therefore, the Jesuits blamed the origin of Socialist-Communism on two foes — one *superficial*, the other *very real*. Their pretended foe was International Freemasonry, their executioners during the French Revolution. Their real foe was the Jewish Race, as it alone has been promised the land of Israel *forever* during the earthly reign of her **Messiah**, ruling all nations with “*a rod of iron*” while sitting on “*the throne of David*.” The Jewish Race and its **Messiah** are the rivals of the *Jesuit Order* and its “*infallible*” **Papal Caesar**, as to who will rule the world from **Solomon’s rebuilt Temple in Jerusalem** — forever!

Thus, “the dictatorship (absolutism) of the proletariat” was introduced into Europe in 1848. The book was *The Communist Manifesto*. Its author was a Jesuit tool and Jewish Freemason, **Karl Marx**. As a result *the Jewish Race would pay dearly for this* during the Jesuits’ Third Reich, being the scapegoat for the evils of communism, further enabling the Company of Loyola to escape the light of day.

The Company’s grand design, of which the French Revolution of 1848 was only a part, was clearly stated by a courageous Italian **Bible-believer** in 1852. **Luigi Desanctis**, who for many years was a priest of Rome, Professor of Theology, Official Censor of the Inquisition, *was driven into exile* upon his conversion to **Christ**, becoming a Protestant Reformed pastor. While yet a Catholic he had had an interview with the Secretary of the French Father Assistant [*one of the Jesuit General’s most powerful Provincials*] of the Jesuit Order. In his extremely difficult-to-find masterpiece, *Popery, Puseyism, and Jesuitism*, which is included herein along with the *Secret Instructions of the Jesuits* on a CD, he revealed the Company’s quest for a world governed by its General:

“At what then do the Jesuits aim? According to them, they only seek the greater glory of God; but if you examine the facts you will find that they aim at universal dominion alone. They have rendered themselves indispensable to the Pope, who, without them, could not exist, because Catholicism is identified with them. They have rendered themselves indispensable to governors and hold revolutions in their hands; and in this way, either under one name or another, it is they who rule the world...” ¹⁶ [Emphasis added]

And they wish to rule the world, not from **Rome** but from **Jerusalem**, from **Solomon’s rebuilt Temple** with an “*infallible*” Pope of their choosing, he having suffered a mortal wound but then raised from the dead and possessed by the **Devil himself**. The “Final Solution to the Jewish Question” carried out by this Eighth and final Roman Caesar — *the risen Pope* spoken of in the **Book of Revelation**, chapter seventeen, verses ten and eleven — will be

“...*the time of Jacob’s trouble...*”

— *Jeremiah 30:7*

Having become the “*antichrist*”, he will destroy **Vatican City** with its **Papacy, Hierarchy and Empire**. Ah then, dear truth-seeker, from **Jerusalem** within **Solomon’s rebuilt Temple**, “*the man of sin*” will begin a bloodthirsty and fanatical persecution of “*those perfidious Jews*”, so referred to by the priests of Rome in their “*prayers*” prior to Vatican II. In one last mad attempt to annihilate them all, this **man-devil beast** will desperately seek “*to extirpate and exterminate them from the face of the whole earth*” in obedience to **Satan’s Jesuit Oath!** At the end of his universal reign of forty-two months, as the world’s armies pour into Israel’s Valley of Megiddo — **Armageddon** — while raping and murdering the inhabitants of **Jerusalem**, the lowly Nazarene will appear once again. But this time coming upon a white horse, clothed with “*a vesture dipped in blood*” to “*strike through kings in the day of his wrath*”; He will be *the hope of his people, and the strength of the children of Israel*”, the roaring and furious “*King of kings and Lord of lords*”,

The Lion of the Tribe of Judah!

In that day the words of **King David the Prophet** will be fulfilled:

“The stone which the builders refused is become the headstone of the corner.”

Nephew of Napoleon I

President of the Second Republic of France

1848 - 1852

Napoleon III "the Little"

Emperor of the Second Empire of France

1852 - 1870

A high-level Freemason like his uncle, Louis Napoleon was brought to power in 1848 as a result of the Order's hatred for Louis Philippe, "the Citizen King" (1830 – 1848), the Company having failed at a previous attempted assassination from a distance. With a criminal coup d'etat in 1852, Louis Napoleon became Emperor Napoleon III, advised through the brother (a trusted third party) of Monsignor de Falloux, the most powerful Jesuit in France. He completely served the interests of the Jesuit General by crushing the Italian revolution and restoring the Temporal Power of Pope Pius IX in 1849. He started the Crimean War in 1856, intervened in Vietnam and started the Franco-Prussian War in 1870. Shamed and broken, he died in exile protected by the Jesuits' English Queen Victoria.

Karl Mordechai Marx, 1818 – 1883

Karl Marx, "the Father of Modern Communism" was himself an occultist and high-level Freemason, intimately associated with Rome's Giuseppe Mazzini (1805-1872), the most powerful Shriner on the Continent, and Albert Pike (1809-1891), the most powerful Shriner in Fourteenth Amendment America and creator of the Ku Klux Klan. He was privately tutored by Jesuits in the huge Reading Room of the British Museum while writing *The Communist Manifesto* based upon the ten maxims or "planks" the Order had perfected on its Paraguayan Reductions. His writings were financed by the Society's wealthy cartel capitalists, such as John D. Rockefeller, Jr., and J. P. Morgan, also Shriner Freemasons. A Jew was chosen for this task; for, the Order anticipated blaming all the evils of their Communist Inquisition on the Jewish Race. This masterstroke of Jesuit genius was fulfilled by the Black Pope's Third Reich with its invasion of Russia during "Operation Barbarossa" and the mass-murder of European and Russian Jewry pursuant to the Council of Trent.

Chapter 25

The Jesuits – 1815 - 1860

The Great Conspiracy of the Jesuits

With their "Holy Alliance" Against

The Protestant Federal Republic of the United States

"The name of Jesuit was, suffice it to say, but synonymous with all of ambition, craft, and treachery, duplicity and talent, to be conceived by the human mind...Let the court of Rome bear the responsibility of its daring! Necessary indeed to its service may be the devotion of such a band — but how perilous the determination to employ it!" ¹

Edward de Vere, 1590
17th Earl of Oxford
alias "William Shakespeare"
Othello, Act I: Scene III

According to our previous chapters we know the Jesuits *are* the **Counter-Reformation**. Their **Council of Trent** and **Jesuit Oath** prove they purpose to destroy the Protestant Reformation. Since the thirteen American colonies were entirely Protestant and the Federal Republic established by the **Constitution** was a Protestant form of government, reason, logic, common sense and knowledge of history confirms the reality that the Jesuits had a plan to destroy our Nation. America's blueprint for its Constitution had been devised by **Pelitiah Webster**, its Constitution had been penned by **James Madison** and its Government had been established with the sword and statesmanship of **George Washington** — *all Protestant and Baptist-Calvinists!*

That plan was greatly enhanced by the "**Holy Alliance**" of European sovereigns in 1815. The secret **Treaty of Verona**, Italy furthered the conspiracy which in turn was countered by the **Monroe Doctrine** of 1823. But the final touch was the Jesuit General's **Secret Plan at Chieri**, Italy in 1825. Therefore we are safe in saying the Jesuits, with Prince Metternich's "**Holy Alliance**", conspired to overthrow that successful example of popular Protestant liberty and *envy the world over* — **The Federal Republic of the United States**. For our Protestant Republic refused to acknowledge the sovereignty of Vatican City as well as the **Temporal Power** of the Pope. (The American Government never *openly* sent an ambassador to the Vatican until Shriner Freemason **FDR**, *without the consent of Congress*, sent Knight of Malta **Myron Taylor** during World War II, *Rome's advisor to the OSS* headed by another Irish Roman Catholic, Knight of Malta "**Wild Bill**" **Donovan**.)

Our founding Fathers knew of the Jesuit intrigue directed at the new Protestant Republic of these United States of America. In 1816 **John Adams** wrote to **President Jefferson**:

"Shall we not have regular swarms of them here, in as many disguises as only a king of the gypsies can assume, dressed as painters, publishers, writers and schoolmasters? If ever there was a body of men who merited eternal damnation on earth and in hell it is this Society of Loyola's." ³

Many writers warned of this **Great Conspiracy** of the Jesuits. **Samuel Morse**, the father of Morse Code, was one of them. The preface of his great work, *Foreign Conspiracy Against the Liberties of the United States*, written in 1835 reads:

"The author undertakes to show – that a conspiracy against the liberties of this Republic is now in full action, under the direction of the wily Prince Metternich of Austria, who knowing the impossibility of obliterating this troublesome example of a great and free nation by force of arms, is attempting to accomplish his object through the agency of an army of Jesuits. The array of facts and arguments going to prove the existence of such a conspiracy, will astonish any man who opens the book with the same incredulity as we did." ⁴ [Emphasis added]

Of the Jesuits, **Morse** wrote:

"And who are these agents? *They are* for the most part, *Jesuits*, an ecclesiastical order proverbial through the world for cunning, duplicity, and total want of moral principle; an order so skilled in all the arts of

deception that even in Catholic countries, in Italy itself, it became intolerable, and the people required its suppression.”⁵

Morse, in alerting Protestant America to the Great Jesuit Conspiracy against our free and popular form of government, further described the Jesuit Order.

“Let us examine the operations of this Austrian Society, [*St. Leopold Foundation*] for it is hard at work all around us, yes, here in this country, from one end to the other, at our very doors, in this city [*Boston*]. From a machinery of such a character and power, we shall doubtless be able to see already some effect. With its headquarters at Vienna, under the immediate direction and inspection of Metternich, the well-known *great managing general of the diplomacy of Europe*, it makes itself already felt through the Republic. Its emissaries are here. And who are these emissaries? They are *Jesuits*. This society of men, after exerting their tyranny for upwards of two hundred years, at length became so formidable to the world, threatening the entire subversion to all social order, that even the Pope, whose *devoted subjects* they are, and must be, by the vow of their society, was compelled to dissolve them.

They had not been suppressed, however, for fifty years, before the waning influence of Popery and Despotism required their useful labors, to resist the light of Democratic liberty, and the Pope (Pius VII) simultaneously with the formation of the Holy Alliance, revived the order of the Jesuits in all their power. From their vow of ‘*unqualified submission to the Sovereign Pontiff*,’ they have been appropriately called the *Pope’s Body Guard*...And do Americans need to be told what Jesuits are? If any are ignorant, let them inform themselves of their history without delay; no time is to be lost: their workings are before you in every day’s events: they are a secret society, a sort of Masonic order with super added features of revolting odiousness, and a thousand times more dangerous. They are not merely priests, or priests of one religious creed; they are merchants, and lawyers, and editors, and men of any profession, having no outward badge, (in this country) by which to be recognized; they are about in all your society. They can assume any character, that of angels of light, or ministers of darkness, to accomplish their one great end, the service upon which they are sent, whatever that service may be.

They are all educated men, prepared, and sworn to *start at any moment, and in any direction*, and for any service, commanded by the general of their order, bound to no family, community, or country, by the ordinary

ties which bind men; and *sold for life* to the cause of the Roman Pontiff.”⁶ [Emphasis added]

And what military tactic would the Jesuits use in their conspiracy to overthrow America’s **Protestant Constitution**, erecting an absolute tyranny in its place?

“Jesuits are not fools. They would not startle our slumbering fears, by bolting out their monarchial designs directly in our teeth...*except so far as to cover their designs*...Let every real Democrat guard against the common Jesuitical artifice of tyrants...it is founded on the well known principle that ‘*extremes meet*’...When in despotic governments popular discontent, arising from intolerable oppressions of the tyrants of the people, has manifested itself by popular outbreakings, to such a degree as to endanger the throne, and the people seemed prepared to shove their masters from their horses, and are likely to mount, and seize the reins themselves; then, the popular movement, un-manageable any longer by resistance, is pushed to the extreme. The passions of the ignorant and vicious are excited to outrage by pretended friends of the people. Anarchy ensues; and then the mass of the people, who are always lovers of order and quiet, unite at once in support of the strong arm of force for protection; and despotism, perhaps, in another, but *preconcerted* shape, resumes its iron reign...look at France in her late Republican revolution [*1848*] and in her present relapse into despotism [*Napoleon III – 1852*].

[The writer then makes this artifice of tyrants – the great Jesuit maxim for world domination under Fascist-Socialist-Communist dictators – crystal clear.]

He who would prevent you from mounting his horse has two ways of thwarting your designs. If he finds efforts to rise too strong for his resistance, he has but to add a little more impulse to them, and he shoves you over on the other side. In either case you are on the ground.”⁷ [Emphasis added]

A personal friend of Professor Morse believed his warning of the **Great Jesuit Conspiracy**. He was **President Abraham Lincoln**. We read:

“The Protestants of both the North and South would surely unite to exterminate the priests and the Jesuits, if they could learn how the priests, the nuns, and the monks, which daily land on our shores, under the pretext of preaching their religion...are nothing else but the emissaries of the Pope, of Napoleon III, and the other despots of Europe, to undermine our institutions, alienate the hearts of our people from our constitution, and our laws, destroy our schools, and prepare a

reign of anarchy here as they have done in Ireland, in Mexico, in Spain, and wherever there are any people who want to be free.”⁸

Further, the Duke of Richmond, who had been Governor of Canada in 1815-1816, told **Horatio Gates**, an eminent merchant in Montreal, of the same **Great Jesuit Conspiracy** against the United States. We read:

“The Church of Rome has a design upon that country, and it will, in time, be the established religion, and will aid in the destruction of that republic. I have conversed with many of the sovereigns and princes of Europe, and they have unanimously expressed these opinions relative to the government of the United States, and their determination to subvert it!”⁹ [Emphasis added]

And how would the Jesuits and the **Holy Alliance** accomplish this task while employing the “*common Jesuitical artifice of tyrants*”? By bringing in thousands of easily agitated Roman Catholic immigrants, especially from Ireland. We read the narration of **Charles Chiniquy**, one of our heroes, when he was invited to a meeting of priests at Buffalo in 1852. The priests, sent by the Bishops of the United States, declared:

“We are determined to take possession of the United States and rule them; but we cannot do that without acting secretly and with the utmost wisdom...Silently and patiently, we must mass our Roman Catholics in the great cities of the United States, remembering that the vote of a poor journeyman, though he be covered with rags, has as much weight in the scale of power as the millionaire Astor, and that if we have two votes against his one, he will become as powerless as an oyster. Let us then multiply our votes; let us call our poor but faithful Irish Catholics from every corner of the world, and gather them into the very hearts of those proud citadels which the Yankees are so rapidly building under the names of Washington, New York, Boston, Chicago, Buffalo, Albany, Troy, Cincinnati, etc. [*Northern cities*]. Under the shadows of those great cities, the Americans consider themselves a giant and unconquerable race. They look upon the poor Irish people with supreme contempt, as only fit to dig their canals, sweep their streets and work in their kitchens. Let no one awake those sleeping lions, today. Let us pray God that they may sleep and dream their sweet dreams, a few years more. How sad will their awakening be, when with our outnumbering votes, we will turn them forever, from every position of honor, power and profit! What will those hypocritical and godless sons and daughters of the fanatical Pilgrim Fathers say, when not a single

judge, not a single teacher, not a single policeman, will be elected if he be not a devoted Irish Roman Catholic? What will those so-called giants think of their matchless shrewdness and ability, when not a single Senator or member of Congress will be chosen, if he be not submitted to our holy father the Pope! What a sad figure those Protestant Yankees will cut when we will not only elect the President, but fill and command the armies, man the navies and hold the keys of the public treasury [*the Federal Reserve Bank*]?...Then, Yes! Then, we will rule the United States, and lay them at the feet of the Vicar of Jesus Christ, that he may put an end to their godless system of education, and impious laws of liberty of conscience which are an insult to God and man!”¹⁰ [Emphasis added]

Chiniquy then responds in commenting on the plans of the Bishops:

“From that, the Catholic priests, with the most admirable ability and success, have gathered their Irish legions into the great cities of the United States, and the American people must be very blind indeed, if they do not see that if they do nothing to prevent it, the day is very near when the Jesuits will rule their country, from the magnificent White House at Washington to the humblest civil and military department of this vast Republic.”¹¹ [Emphasis added]

(Dear truth-seeker, by 1963 the rich Irish Catholics would be the true powerbrokers of **Fourteenth Amendment America**. Industrialist **J. Peter Grace** would head the Cardinal's political and financial elite, *the Knights of Malta*; **Joseph Kennedy** would be supreme in power, business and entertainment, and **Francis Spellman** would be the greatest Archbishop in American history. Today, **Cardinal Egan** has replaced Spellman, **William J. Flynn** has replaced Grace, **William McDonough** heads the Federal Reserve Bank in New York, and CFR member **Joseph O'Hare** with **Leo J. O'Donovan** are the Empire's two most powerful Professed Jesuits of the **Fourth Vow**, being the presidents of Fordham and Georgetown Universities respectively.)

The Jesuits would bring one such **Irish Roman Catholic family** to Boston. One of the sons would become the President of the United States to the delight of the Order. But he would turn on his masters by attempting to end their Cold War. He was **John F. Kennedy**. And he, *without mercy*, would be wounded in the house of his friends, by the man who had performed the wedding of his brother Ted,

Francis Cardinal Spellman.

Chapter 26**The Jesuits - 1861 - 1865****The American "Civil War"****Mexico's Greatest Hero, Benito Juarez**

"Do you wish to excite troubles, to provoke revolution, to produce the total ruin of your country? Call in the Jesuits...and build magnificent colleges for these hot-headed religionists; suffer those audacious priests, in their dictatorial and dogmatic tone, to decide on affairs of State." ¹

Priest Antoine Arnauld, 1641
French Catholic Jansenist
Moral Theology of the Jesuits

"My lord, I can touch a bell on my right hand, and order the arrest of a citizen of Ohio; I can touch a bell again, and order the imprisonment of a citizen of New York; and no power on earth, except that of the President, can release them. Can the Queen of England do as much?" ²

William H. Seward, 1863
Lincoln's Secretary of State
To Lord Lyons of England

"This war would never have been possible without the sinister influence of the Jesuits. We owe it to Popery that we now see our land reddened with the blood of her noblest sons." ³

Abraham Lincoln, 1865
16th President of the United States
(Lincoln's Private Letters,
burned by his son Robert,
restated by our hero,
Charles Chiniquy)

"...the original and conspiring causes of all our future troubles are to be found in the long, active and persistent hostility of the Northern Abolitionists [*employing "the common Jesuitical artifice of tyrants"*], both in and out of Congress, against Southern slavery, until the final triumph of their cause in the election of President Lincoln...and believing slavery to be a mortal sin, they soon became public speakers, in spite of the injunctions of an inspired apostle...

Never was an organization planned and conducted with greater skill and foresight for the eventual accomplishment of the object...under the auspices of British emissaries [*controlled by the Jesuits*]." ⁴

James Buchanan, 1865
15th President of the United States
Mr. Buchanan's Administration
On the Eve of the Rebellion

"I shall show that finally, after being defeated in every other effort, this Tory or Monarchical party assumed the name of Republican, and taking the advantage of a popular delusion about negroes, used it to get into power [*after the Jesuits split the Democratic Convention in Charleston with their tool and Freemason, Stephen Douglas*] and accomplished its long cherished purposes.

I shall show that Abraham Lincoln was the direct successor of old John Adams and his infamous Alien and Sedition laws, only that Mr. Lincoln went much further, and acted much worse than John Adams ever dared to do.

I shall show that the war was not waged to preserve the Union, or to maintain republican institutions, but really to destroy both, and that every dollar spent, and every life lost, have been taken by the Abolitionists on false pretenses.

This book will show that the Abolition or so-called Republican party has simply carried out the British free Negro policy on this Continent, a pet measure of all the kings and despots of Europe [the Monarchs of the Holy Alliance, including Queen Victoria]." ⁵ [Emphasis added]

R. G. Horton, 1867
American Historian
*A Youth's History of the Great
 Civil War in the United States
 from 1861 to 1865*

"Another principle must certainly be embodied in our re-organized form of government. The men who shape the legislation of this country, when the war is past, must remember what we want is *power and strength*. *The problem will be to combine the forms of a republican government with the powers of a monarchical government* [like "**the Jesuit republic**" in Paraguay]...

This war has already shown the absurdity of a government of limited powers; it has shown that the power of every government ought to be and must be unlimited." ⁶ [Emphasis added]

Mr. Forney, 1863
Radical Red Republican
The North American

The Jesuits, with their "**Holy Alliance**" of despots, conspired to overthrow Protestant republicanism, especially the Federal Government of *these* United States of America. For our government had been established upon the principles of **the Bible** of the English Reformation, **The Authorized King James Version of 1611**. Those principles were embodied in the Protestant documents known as the **Declaration of Independence**, the **Constitution** and the **Bill of Rights**. Therefore, pursuant to the **Council of Trent** and **Jesuit Oath**, this "heretic nation" was to be overthrown as its obedience to the **Word of God** had produced the greatest Gentile civilization in world history. Of this civilization and government we read in 1835:

"And what do the people of Europe behold in this country? They witness a successful experiment of a free government; a government of

the *people*; without rulers by divine right; having no hereditary privileged classes; a government exhibiting good order and obedience to law, without an armed police and secret tribunals; a government out of debt; a people industrious, enterprising, thriving in all their interests; without monopolies; a people religious without an establishment; moral and honest without the terrors of the confessional or the inquisition; a people not harmed by the uncontrolled liberty of the press and freedom of opinion; a people that read what they please, and think and judge, and act for themselves; a people enjoying the most unbounded security of person and property; among whom domestic conspiracies are unknown; where the poor and the rich have equal justice; a people social and hospitable, exerting all their energies in schemes of public and private benefit without other control than mutual forbearance." ⁷

This high White, Celtic-Anglo-Saxon Protestant civilization consisting of what Rome called "obstinate heretics" must be overthrown. The method was threefold. First, as we have seen, America must be *invaded* by foreign immigrants, *Irish Roman Catholics especially*; secondly, civil war must be *incited* resulting in the annihilation of the White Protestant and Baptist Southern culture; and lastly, the **Protestant Constitution** must be *modified* resulting in the centralization of power in Washington, D.C.. We read the following words written in 1855:

"**The Duke of Richmond**...in speaking of the government of the United States, said... 'It will be destroyed, it ought not, and will not be permitted to exist...and so long as it exists, no prince will be safe upon his throne; and the sovereigns of Europe are aware of it, and they have determined upon its destruction, and come to an understanding upon this subject, and have decided on the means to accomplish it; and they will eventually succeed by subversion rather than conquest. As the low and surplus population of the different nations of Europe will be carried into that country; it is and will be a receptacle for the bad and disaffected population of Europe, when they are not wanted for soldiers, or to supply the navies, and the European governments will favor such a course. [*Did not that bastard son of a Nazi, Fidel Castro, expel Cuban criminals a few years ago, they ultimately landing in Miami, Florida?*] This will create a surplus and majority of low population, who are so very easily excited [*Irish Roman Catholic "Molly Maguires"*] and they will bring with them their principles, and in nine cases out of ten, adhere to their ancient and former governments, laws, manners, and religion, and will transmit them to their posterity, and in many cases propagate them among the natives.

These men will become citizens, and by the constitution and laws, will be invested with the right of suffrage. The different grades of society will then be created by the elevation of a few and by degrading many, and thus a heterogeneous population will then be formed, speaking different languages, and of different religions and sentiments, and to make them act, think, and feel alike, in political affairs, will be like mixing oil and water; hence discord, dissension, anarchy and civil war will ensue, and some popular individual will assume the government and restore order, and the sovereigns of Europe, the immigrants, and many of the natives will sustain him.”⁸ [Emphasis added]

(Dear truth-seeker, does this not describe the American Empire of today? Our religious discord and dissension arises from three basic documents. They are the **Council of Trent** governing Roman Catholicism, the **Koran** governing Islam, and the **Talmud** governing Judaism. All three documents are **Bible-rejecting**, intolerant and hostile to **Bible-believing** Protestants and Baptists. And no wonder, for all three religions are controlled by the **General of the Jesuits** through Shriner Freemasonry.)

Such was the plan. The following is how it was accomplished. The Jesuits, using Scottish Rite Freemasonry, first divided the country into geographical sections, North and South, with the **Missouri Compromise**. The Freemason used to that end was the centralist, **Henry Clay**. The Jesuits then brought in thousands of Irish Roman Catholics and settled them predominantly in Northern cities. In the 1820s British Secret Service agents under Jesuit control then fomented “the anti-slavery agitation”, as **President Buchanan** called it, branding slavery as “immoral and evil”, while neither the Bible nor the **Constitution** forbade it. Then a new political party, consisting of the centralizing, old Federalists, was created in the North called “the Republican Party”. The Jesuits used it to intensify the anti-slavery agitation with the **Lincoln-Douglas** debates, claiming “*America could not endure half slave and half free.*” This created a tremendous hatred between Northerners and Southerners.

Meanwhile, the Jesuits with their Freemasonry created the radical secessionists in the South. They would hotly promote the withdrawing of the Southern States from the Union. Two Freemasons who were radical secessionists were **John C. Calhoun** and **Robert Toombs**. *Ah, Yes! Enough hatred had been created to justify a war!*

The greatest and most powerful American Freemason at this time, however, was the evil **Albert Pike**. As the Sovereign Grand Commander of Scottish Rite Freemasonry and Confederate General, Albert Pike was to the War Between the States, what **Frederick the Great** was to the French Revolution and Napoleonic Wars. Both men possessed the sovereign power over all “the Craft”. Both men instigated horrific wars of decimation, **Napoleon** wrecking Protestant Germany and

Grant wasting the Protestant South. Both men served the Jesuit General as the Sons of Loyola authored the rites of “the Brotherhood”. And since the Jesuits authored Scottish Rite Freemasonry, *the Order and the Craft* must serve the same god as revealed by Pike who declared:

“To you, Sovereign Grand Inspectors General, we say this, that you may repeat it to the Brethren of the 32nd, 31st and 30th degrees — the Masonic religion should be, by all of us initiates of the high degrees, maintained in the purity of the Luciferian doctrine... Yes, Lucifer is God... the true and pure... religion is the belief in Lucifer...”⁹

The country was now ready for war by 1860. The Jesuits, in control of the “Radical Red Republican Party” insured the election of Lincoln by disrupting the Democratic convention in Charleston with their Masonic tools, **Stephen Douglas** in particular! Foretold in 1855 we behold:

“Is there no danger to the Democracy of the country from such formidable foes arrayed against it? Is Metternich its friend? Is the Pope its friend? Are his official documents, now daily put forth, *Democratic* in their character?”

Oh, there is no danger to the Democracy, for those most devoted to the Pope; the Roman Catholics, especially the Irish Catholics, are all on the side of Democracy! Yes; to be sure they are on the side of Democracy. They are just where I should look for them. Judas Iscariot joined with the true disciples. Jesuits are not fools... the Democratic party is and ever must be the strongest party, unless ruined by traitors and Jesuits in the camps. Yes, it is in the ranks of Democracy I should expect to find them, and for no good purpose, be assured. Every measure of Democratic policy in the least exciting will be pushed to *ultraism*, so soon as it is introduced for discussion. Let every real Democrat guard against the common Jesuitical artifice of tyrants, an artifice which there is much evidence to believe is practicing against them at this moment, an artifice, which, if not heeded, will surely be the ruin of Democracy: it is founded on the well known principle that ‘extremes meet.’”¹⁰ [Emphasis added]

Now, with enough hatred in place, the Jesuits needed an incident to ignite the war. Before Lincoln took office, **President James Buchanan**, a *Protestant Freemason*, sent a navy vessel, “The Star of the West”, into Charleston harbor to relieve Fort Sumter. *This was an act of war in international law*, as the Southern States had lawfully seceded, *the right of resuming delegated powers* having been

specifically reserved by the State Ratification Contracts of *New York, Rhode Island and Virginia*. The Confederate States responded in the person of **General Beauregard**, a *Roman Catholic Freemason*, by firing on the Fort and have been wrongfully blamed for starting the war — just like Germany in World War I and Japan in World War II. Thus, the *Northern Freemason* who incited America's bloodiest war was **President James Buchanan**. And the *Southern Freemason* who fired the first shot was **General Beauregard**.

The Jesuit Order was now delighted. It had used the high Freemasons of America to cut the nation in half, cause hatred and discord between the Northern and Southern peoples using "the anti-slavery agitation", and then ignited a war of annihilation against the Protestant peoples of the South pursuant to the evil **Council of Trent!** The great Southern Presbyterian, **Robert L. Dabney** writes:

"The common language [of the North] breathed threatening and slaughter, and demanded the sack, ruin, and extermination of the Southern people...Its intention was a wholesale murder and piracy, the extermination of a whole people's national life...With an inhumanity unknown to modern history, they had extended the law of blockade to all medicines and hospital stores; hoping...to make the hurts of every wounded adversary mortal...The Federal Congress and Executive had...ordained that the war should be a huge piracy...declaring all tobacco, cotton and labor of slaves,...to be 'contraband of war'..."¹¹

The purpose was to destroy the primarily Protestant States of **Virginia, North Carolina, South Carolina and Georgia** while only lightly afflicting the primarily Roman Catholic States of Louisiana and Florida. And how did truly "the Rebels" of the Radical Red Republican government of the North, backed by the power of the Jesuits' **Holy Alliance**, carry out its plan in destroying truly "the Yankees" of the South? Hundreds of thousands of foreign mercenaries were hired "to extirpate the White Southern heretics from the face of the whole earth." In addition to eleven thousand Germans, the Jesuits used hundreds of thousands of their most devoted *Irish Roman Catholics* to ransack the South just as they had done in Germany during the ghastly and nightmarish **Thirty Years' War**. We read:

"The radicals, the *proletaires* [like the future Russian communists], the robbers, the outlaws, of all other lands, flocked to their standards, taught by their ready instincts that their cause was the same. One-half of the prisoners of war, registered by the victorious armies of the South, have been foreign mercenaries...the Moloch of Federal ambition has already sacrificed two hundred thousand Irishmen to it. And still, as the flaming sword of the South mows down these hireling invaders, fresh hordes throng the shores."¹² [Emphasis added]

The Jesuits would control both sides of the conflict as they did during the Napoleonic Wars. They controlled the radicals in the North, particularly **Thaddeus Stevens** in the House, **Charles Sumner** in the Senate and **Freemason Edwin Stanton**, Lincoln's Secretary of War. They also controlled the leadership in the South, particularly President **Jefferson Davis** and **Judah Benjamin**, the Secretary of War. Of **Davis** we read:

"There are only very few of the Southern leaders who are not more or less under the influence of the Jesuits, through their wives, family relations, and their friends. Several members of the family of Jeff Davis belong to the Church of Rome."¹³

To prove the point, a few specifics will be cited. *It was for this reason*, after the Confederate Army had defeated the Northern invading Army at the first battle of Manassas (Bull Run), that Jefferson Davis would *not permit* his Army to capture Washington, thereby prolonging the war of annihilation against the White Anglo-Saxon Protestant and Baptist peoples of the States' Rights Democratic Party of the South — *Virginia in particular*. For the greatest enemies of the Jesuit Order and the Monarchs of the Holy Alliance had been White, Calvinistic, Baptist and Protestant Virginians — **George Washington, Thomas Jefferson, James Madison and James Monroe**. These accursed "heretics and liberals", having defeated King George's army (under Jesuit control) at Yorktown, Virginia had authored the **Declaration of Independence**, the **Constitution of the United States**, the **Bill of Rights**, the **Virginia and Kentucky Resolutions** and the bold **Monroe Doctrine**. These great men had been used by the risen **Son of God** to perform the miracle of rendering the Jesuits' evil **Council of Trent** of no effect in Protestant North America.

(Dear truth-seeker, eighty years later the Jesuits would order **Hitler** to forbid his victorious German Army from destroying the British Army at Dunkirk, thereby prolonging the war of annihilation against Europe's Jews, Orthodox Serbs and German Lutherans. For the Jesuit General's dream of reviving the **Pope's Holy Roman Empire** — destroyed by the Protestant Reformation — could never come to pass with all these "obstinate heretics and liberals" in the way. Seeker, are you starting to get a feel for the predictable workings of the Jesuit Order and its foot cavalry, the Masonic Lodge?)

It was for this reason that Confederate General **James Longstreet** was "appointed" to replace General "Stonewall" **Jackson** after the latter had been "mistakenly" shot by his own men at the Battle of Chancellorsville. The Jesuits greatly benefited from this appointment; Longstreet betrayed **General Lee** through disobeying orders at **Gettysburg** and the **Wilderness by attacking too late**, the Federals having gained the stronger positions. Of Gettysburg we read:

"It is susceptible of the most overwhelming proof that while General Lee, with a magnanimity that rises to the sublime, when moving among his shattered battalions at Gettysburg said, 'This is all my fault. I have lost this battle, and you must get me out of it the best you can,' and that while he refrained as long as he lived from any public censure of his lieutenant, he did not hesitate to say in the intimacy of private friendship that he lost the battle of Gettysburg mainly because of Longstreet's disobedience to orders."¹⁴ [Emphasis added]

(Years later the Jesuits, in control of **Hollywood** (the modern-day, degenerate Jesuit Theatre, its most successful director being the Roman Catholic fascist and Knight of Malta **Frank Capra**), would release a movie depicting **General Longstreet** as the stable hero while **General Lee** – *the foremost soldier of the age* according to **General Winfield Scott**, – was portrayed as an idiot. That abomination of a movie was called *Gettysburg*.)

It was for this reason that **Federal General Meade**, a Roman Catholic, did not pursue General Lee's betrayed and defeated army at Gettysburg. Of the Jesuit influence on the battlefield **President Lincoln** said:

"It is true, also, that Meade has remained with us, and gained the bloody battle of Gettysburg...But it is evident that his Romanism superseded his patriotism after the battle. He let the army of Lee escape, when it was so easy to cut his retreat and force him to surrender, after having lost nearly half of his soldiers in the last days' carnage.

When Meade was to order the pursuit, after the battle, a stranger came, in haste, to the headquarters, and that stranger was a disguised Jesuit. After a ten minutes' conversation with him, Meade made such arrangements for the pursuit of the enemy, that he escaped almost untouched, with the loss of only two guns!"¹⁵ [Emphasis added]

And why would the Jesuits want Lee's army to escape? So the *war of annihilation* could be continued until the Protestant States of the South had been utterly destroyed by **General Grant** and **General Sherman**.

In continuing the description of the destruction of the South, the Jesuits sought to create an insurrection of Black Southern slaves against their White masters by way of a mass emancipation. **The Emancipation Proclamation**, *promoted heavily by the Jesuits in control of England through Queen Victoria*, was calculated to incite the slaves to murder their masters. The plot failed as the vast majority of Protestant masters had loved and taught **the Bible** to their slaves. One such Protestant was

General Stonewall Jackson. Upon his death the Black slaves of his Sunday school gathered around his grave and bitterly mourned his departing.

A short summary is given by **Mr. Horton**, a prominent Northern Democrat, of the attitude of the Southern Whites toward their Negro servants:

"The negro was *not* a man like the white man. He had never been so elevated at any time in the history of his race as the four millions in the Southern States. Our form of society had civilized and Christianized [*Protestant and Baptist*] the only Negroes that ever had been civilized or Christianized. This is simple historical fact, which no one dare defy [*except the Jesuits using their "Lucepress" and "Hollywood movies" in creating Fourteenth Amendment America's Second Reconstruction (1950 to the Present) using radical, socialist-communist American Blacks, specifically hating the White Celtic Anglo-Saxon Protestants*]...

It is our duty, as the superior race, to care for these people whom God, in his providence, has given us. We should try to understand their natures, their capacities, and their wants, and then adapt our laws so that they will be in the happiest, the healthiest and best condition it is possible for them to attain. That is what the Southern people [*mostly Protestant and Baptist*] tried to do, and though no society is perfect, yet all must admit that the negroes were better off every way before the war than now. A million, it is estimated, have died in the effort to make them act like white people...

Thousands of these poor creatures have died of small pox and other loathsome diseases. Hundreds have starved to death or died of exposure, and all because of the false teachings of the abolitionists, who deceived the people, and told them that society as it existed at the South was 'a sin and a crime.'"¹⁶ [Emphasis added]

After the war, while under martial law, the Jesuits continued their attempt to destroy the Protestant White race of the South. **Dabney**, one of the South's greatest Presbyterian ministers and youngest member of General Jackson's staff, writes:

"...once abolition by federal aggression came, these other sure results would follow...full negro equality: that negro equality thus theoretically established would be practical negro superiority...that this miserable career must result in one of two things, either a war of races, in which the whites or the blacks would be, one or the other exterminated; or amalgamation...And this apparently is the destiny which our conquerors

have in view. If indeed they can mix the blood of the heroes of Manassas with this vile stream from the fens of Africa, then they will never again have occasion to tremble before the righteous resistance of [Protestant] Virginian freemen; but will have a race supple and vile enough to fill that position of political subjection, which they desire to fix on the South.”¹⁷ [Emphasis added]

Again **Mr. Horton** agrees:

“The laws of every State in the Union wisely denied negroes an equality with white people. I say this was a just and necessary provision in order to prevent what is called mulattoism or mongrelism, that is, a mixture of the white and black races, which history and experience have proved to be one of the greatest curses that can befall a society. Every nation on the face of the earth where such a mixture has taken place to any considerable extent, has declined in its civilization, and gradually sunk down in ruin, as if wasted by slow poison. And that is just what it was. God’s punishment upon men for violating his laws.”¹⁸
[Emphasis added]

(Dear truth-seeker, do you now understand why *Hollywood – the Jesuit Theatre* – is constantly shoving race-mixing and interracial marriages down America’s throat? For the last forty years the “**Lucepress**”, controlled by the **Cardinal’s Council on Foreign Relations in New York**, has gone to every extreme to intimidate White and Black people into practicing this sin against the **Lord**. They have branded us Whites as “*haters of the Black race*”, describing us with newly defined words such as “*racist*” and “*prejudice*” (basically non-hateful terms), if we do not consent to the Order’s program of forced integration, amalgamation and miscegenation. Did not **Nehemiah**, the **man of God** furiously rebuke his own Jewish people for race mixing, forcing them to put away their foreign wives (*Nehemiah 12:23-31*)? Did not **Jesus the Messiah** command his disciples, when sent out to preach the good news that the Davidic kingdom of heaven was about to be established on earth, not to enter into any city of the **Samaritans** (*Matthew 10:5*) — the racially half Jews?!!)

The Jesuits now sat on top of the ruin of George Washington’s Protestant Republic. America had experienced her atheistic French Revolution. The Radical “Red” Republicans, led by **Sumner** and **Stevens**, were like the Jacobins led by **Robespierre** and **Danton**. **Archbishop Hughes**, defending the **Temporal Power** of the Pope, had visited Europe and Rome in support of the North during 1861-62 at the request of **Lincoln** and **Seward**. After the war, he was recommended to **Pius IX** for a Cardinal’s red hat by the Radical Red Republicans. Brigands **Grant** and **Sherman** had led their monster armies, composed of a large number of Irish Roman Catholic

and foreign banditti, on a campaign of rapine, plunder and mass destruction, utterly disgracing the noble art of arms. While **Sherman’s Crusaders** were burning the Protestant cities of Atlanta, Georgia and Columbia, South Carolina to the ground, the honorable Baptist and Confederate **General Early** had ordered his men to put out a large fire in Wrightsville, Pennsylvania. (The fire had been set by the inhabitants of Columbia, Pennsylvania; as, they burned the bridge spanning the Susquehanna River in seeking to prevent the Confederates from crossing.)

America, more so than France, lay in ruins as *six hundred thousand* of her sons had died. **Margaret Mitchell**, the author of America’s greatest novel, *Gone With the Wind*, captures the tragedy of this moment with a poem written on the back of a Confederate Note:

“*Representing nothing on God’s earth now
and naught in the waters below it —
As the pledge of a nation that’s passed away
Keep it, dear friend, and show it.*”

*Show it to those who will lend an ear
To the tale this trifle will tell
Of Liberty, born of patriot’s dream,
Of a storm-cradled nation that fell.*”¹⁹

The Jesuits were now the secret masters of the United States. They had restored absolutism to France with a coup d’etat in 1852, resulting in the dictatorship of Napoleon III. But in the United States they were careful to institute a very deceptive form of *absolutism*, via a coup d’etat known as the **Fourteenth Amendment**. This amendment would create the consolidation of the States into the “**Holy Roman**” **American Empire of the Twentieth Century**. And it was *predominantly* the Protestant-Calvinist people of the South who fought the Holy Alliance’s *predominantly* Roman Catholic people of the North in seeking to prevent the establishment of the centralized American Empire. For these **Protestant Calvinists**, in seeking to prevent the Pope from ruling the world once again, did

“...look to the Federative System, between Free Democratic States, as the surest means of saving Mankind from ultimate universal Monarchical Rule...”²⁰

With the destruction of the righteous and noble people of the Protestant South, the Roman Catholic people of the North enslaved themselves to the Jesuits in Washington, D.C.. The Jesuits, using their “Republicans” as they had used their

“Jacobins” in France, raised a huge “Grand Army”, like that of Napoleon’s, which during the Twentieth Century would be used to restore the Pope’s **Temporal Power** around the world after it had destroyed the **Indian Nations** in the West. (When the Jesuits create an Empire there is first always “ethnic cleansing”.) **Dabney**, correctly foreseeing the overthrow of Europe’s Monarchs, wrote of this new Jesuit power:

“History will some day place the position of these Confederate States, in this high argument, in the clearest light of her glory. The cause they undertook to defend was that of regulated, constitutional liberty, and of fidelity to law and covenants, against the licentious violence of physical power. The assumptions they resisted were precisely those of that radical democracy, which deluged Europe with blood at the close of the eighteenth century [*the French Revolution and Napoleonic Wars*], and which shook its thrones again in the convulsions of 1848 [*the Second French Revolution*]....This power...at the beginning of the century, had transferred its immediate designs across the Atlantic, was consolidating itself anew in the Northern States of America, with a wealth, an organization, an audacity, an extent, to which it never aspired in the lands of its birth, and was preparing to make the United States, after crushing all law there under its brute will, the fulcrum whence they should extend their lever to upheave every legitimate throne [except England’s] in the Old World.”²¹ [Emphasis added]

Meanwhile in Rome, the Jesuit General, in anticipating the victory of the Northern Army, caused his servant, **Pope Pius IX**, to erect the Jesuits’ American College in 1864. We read:

“The pontificate of Pio Nono is likely to become historical from two circumstances, possibly three — the flight of Gaeta [*after a Jesuit-controlled assassin sent by Masonic Mazzini murdered the Pope’s “liberal” reforming officer, Rossi*], the promulgation of the Immaculate Conception, and, *peradventure*, the dismemberment of the ecclesiastical territories. Besides this I know of nothing in his administration that can claim a place in history, except it may be that he has erected a college in Rome, for the special benefit of American youth.”²²

And why? It was to train future American priests to rule the **American Empire** through both political parties. One young *Irish American* trained by Jesuits at the American College in Rome was none other than “**the American Pope**”, the dark mastermind behind the Kennedy assassination and sin-hardened sodomite,

Francis Cardinal Spellman!

Meanwhile in **Mexico**, shortly before our American “Civil War” broke out in 1861, that oppressed nation, plagued with dictators and revolts for nearly forty years, finally began to enjoy the wonderful taste of free “*liberal*” government, so condemned by the Jesuits’ evil **Council of Trent**. The great pro-Protestant, liberal and inspiration of the Mexican people, **Benito Pablo Juarez**, was proclaimed President upon his triumphal entry into the capital in 1860. For three long years the **War of Reform**, ignited by the suspension of the liberal Constitution, had raged between the Jesuit tyranny of **General Comonfort** and the liberals led by **Juarez**.

And now, with the sweet taste of victory, the **Son of God** having answered their **prayers**, our hero, **Benito Juarez**, removed the millstone from around the neck of his beloved people, it having been ruthlessly fastened by the heartless Sons of Loyola. *The first thing he did* was to break the financial and political power of the Jesuit General’s **Pope Pius IX**, his **Hierarchy** and **Clergy** – **the Vatican Empire** – by:

1. **Suspending** for two years all payments on public debts of every kind; since, they were owed to the banking agents of the Vatican;
2. **Declaring** marriage a civil contract and not a privilege granted by the Pope;
3. **Suppressing** celibacy and the Inquisition’s ecclesiastical courts;
4. **Confiscating** the Pope’s Church property valued at over one hundred million silver dollars and over one third (thirty-five percent) of Mexico’s choicest land and holdings;
5. **Separating** the Roman Catholic Church government, with its Pope, Hierarchy and Jesuits, from the government, *having expelled the Archbishop of Mexico!*

Dear truth-seeker, for the first time in the history of our southern neighbor, the **Temporal Power** of the **Papal-Caesar** had been broken. Juarez upheld the Constitution of 1857, which guaranteed freedom of speech and freedom of the press so condemned by the Jesuits’ evil Council of Trent.

Praise God!

Behold the man!!

We Americans, in two hundred years, *have never had such a hero as this!!!*

He’s a Mexican **Oliver Cromwell!!!!** Wow!!!!

Ah, dear truth-seeker, these wonderful works of righteousness never go unresisted by the **Devil** and his shogun Priest-King, **the Black Pope**. With their "Holy Alliance" of European despots, England, France and Spain invaded. Our hero, **Juarez**, fled the capital for his life while the Austrian archduke **Ferdinand Maximilian** – the tool of the Jesuits' **Napoleon III** of France – was made Emperor in 1864.

After three years of stout Mexican resistance coupled with Abraham Lincoln's enforcement of the **Monroe Doctrine**, Juarez prevailed, ordering the righteous execution of the Austrian usurper in 1867. *This further infuriated the Jesuits!* For five more years **Benito Juarez** remained President, pursuing his "liberal", anti-**Council of Trent** policies, until he died at his desk of "apoplexy" — *the poison cup!*

In spite of our hero's death however, the risen **Son of God** chose to deliver the Mexican people; as, He accounted them worthy of the liberty for which they had shed so much blood. *The following year, in 1873, the glorious Mexican government* – one year following the German Parliament's banishment of the Order from the German-Prussian Empire – *expelled the Jesuits from all of Mexico!* **Praise God!**

Little did the Mexican people know *they would pay dearly for this!* Three years later **General Porfirio Diaz** would come to power who in turn would restore the Jesuits. This merciless, military dictator would then rule Mexico with an iron fist, faithfully serving **the Society of Jesus** for over thirty years (from 1876 to 1911), while **Emperor Meiji** was ruling for the Order in Japan. Three years later the Sons of Loyola would bring their **Second Thirty Years' War** into Mexico resulting in over *one million deaths* pursuant to the **Jesuit Oath** and the evil **Council of Trent!**

James Buchanan, 1791 – 1868
Fifteenth President of these United States of America
1857 - 1861

As a Democrat and an advocate of the rights of the States not delegated to the Federal government by the Constitution, James Buchanan refused to make war on the Southern States threatening to leave the Union. Like John F. Kennedy seeking to end Cardinal Spellman's War in Vietnam, Buchanan refused to openly ignite Cardinal Hughes' War Between the States in opposition to the conspiracy of Prince Metternich's Holy Alliance. Therefore, on the 23rd of February 1857 at the National Hotel in Washington, D.C., the President and his Northern men were poisoned with arsenic sprinkled in their tea. Thirty-eight people died as the Order fulfilled its bloody Oath once again. But Buchanan survived and toward the end of his Presidency, on January 5, 1861, he sent a merchant steamer called the "Star of the West" to reinforce Fort Sumter, it carrying "troops and foodstuffs". This act ignited the Jesuits' "American Civil War".

Albert Pike, 1809 – 1891
 Sovereign Grand Commander
 Sovereign Grand Inspector General, 33rd Degree
 Ancient and Accepted Scottish Rite Freemasonry,
 Southern Jurisdiction, USA
 1859 - 1891

A Luciferian, founder of the first Ku Klux Klan (1866-1869) disbanded after the ratification of the Fourteenth Amendment (1868), and Masonic brother to his contemporary occultist Karl Marx, Pike, with his Southern lodge-rooms, drew the Protestants of the South into a war during which they were betrayed by their leaders beholden to the fear of death by Masonic masters subordinate to the Jesuit General in Rome. After the War, the Masonic victors erected two idols in celebration of the Black Pope's newly created "Holy Roman" American Empire. They were the Washington Monument and the Statue of Liberty.

Benito Juarez, 1806 – 1872
 President and Protestant Reformer of Mexico
 1860 - 1863 and 1867 - 1872

This full-blooded native Zapotec Indian is Mexico's greatest patriot, Civil War commander and finest statesman of integrity, ability and undying determination in his quest to make his beloved country a nation among nations. He was the most dreaded enemy of the Society of Jesus while hating the Temporal Power of the Papal Caesar in Rome. He exiled the Archbishop of Mexico along with five Bishops, confiscated all of the Pope's Church property composing the finest lands of the Nation, expelled two hundred Jesuit priests along with the Spanish ambassador and hated Metternich's Holy Alliance. He enforced the "liberal" Constitution of 1857 securing the Protestant rights of freedom of speech and freedom of the press, utterly condemned by the Black Pope's Council of Trent. He sought to establish a Middle Class and repudiated the National Debt. For refusing to uphold the Pope's Temporal Power, Juarez became a "usurper" according to the Satanic doctrines of the Spanish Jesuit, Francisco Suarez. In 1872 he died at his desk, a victim of "the poison cup".
